A PROCLAMATION.

QUEBEC.

Whereas it is highly necessary & expedient for the wellbeing and Good government of His Majestys loving Subjects in this Province, that Commissions of the peace be issued without loss of time for hearing & determining petty Causes in a Summary way, for the more immediate ease, convenience and happiness of the people. I have thought proper, by & with advice and Consent of His Majesty's Council to constitute & appoint Justices of the peace for the respective Districts of this Province, impowering any one of them to hear and finally determine all causes or matters of property in dispute not exceeding the sum of Five pounds Lawfull money of New England and any two Justices of the peace to hear & determine all causes not exceeding Ten pounds said Currency, which decisions being within & not exceeding the above Limitation, shall not be admitted to any appeal. And also impowering & authorizing three of the said Justices of the peace to be a Quorum, with the power of holding Quarter Sessions in their respective Districts every three months, and of deciding in Causes which shall be above Ten and not exceeding Thirty pounds said Lawfull Money of New England with liberty of appeal to either Party. And it is hereby ordered by & with advice and consent of His Majestys Council that

the aforementioned Justices of the Peace, do issue their Warrants to, and to be executed by the Captains & other Officers of Militia in this Province, until the Provost Marshall legally appointed by His Majesty for these services, shall arrive; and all officers civil and military or others His Majestys loving Subjects in this Province are hereby Commanded & required to be aiding & assisting to the said Justices of the peace & officers of Militia in the execution of their Duty. And whereas there are not at present a sufficient number of Protestant Subjects resident in the intended District of Trois Rivieres, qualifyd to constitute and compose Quarter Sessions, I have moreover thought fit by and with advice and Consent aforesaid to Divide this Province into two Districts to be known by the names of Quebec and Montreal for the time being, until there may be a competent number of people settled at or near Trois Rivieres duly qualifyd to exercise the office of Justices of the peace and the power of holding such Quarter Sessions abovementioned, or until His Majestys pleasure be known on that behalf, And that the said Two Districts be divided and bounded by the River Godfroy on the South and by the River St. Maurice on the north shore.

Given under my hand & Seal at arms at the Castle of St. Louis in the City of Quebec this Twenty eight day of August 1 1764.

Legislative Council A p. 24. This Proclamation did not appear in the Quebec Gazette, though ordered to be published by the Governor in Council on August 28.

By His Excellency the Honorable James Murray, Esq; Captain-General and Governor in Chief, in and over the Province of Quebec, and Territories depending thereon in America, Vice-Admiral of the same, Governor of the Town of Quebec, and Colonel Commandant of the second Battalion of the Royal American Regiment of Foot, &c. &c. &c.

A PROCLAMATION.

Whereas His Majesty, by His Royal Proclamation, given at St. James's, the seventh Day of October, One Thousand Seven Hundred and Sixty-three, in the Third Year of His Reign, hath thought fit to Declare and Enjoin, That the Trade with the several Nations or Tribes of Indians, with whom he is connected, and who live under his Protection, should be free and open to all his Subjects whatever. Provided, That every Person who may incline to trade with the said Indians, do take out a Licence for carrying on such Trade, from the Governor or Commander in Chief of His Majesty's Colonies respectively, where such Person shall reside; and also give Security to observe such Regulations as His Majesty shall, at any Time think fit by His Royal Order, or by His Commissaries to be appointed for that Purpose, to direct and appoint for the Benefit of the said Trade: And that the Governors or Commanders in Chief, of His said Colonies respectively, should grant such Licences without Fee or Reward; taking especial Care to insert therein a Condition that such Licence shall be Void, and the Security Forfeited, in Case the Person to whom the same is granted, shall refuse or neglect to observe such Regulations as His Majesty shall think proper to prescribe as aforesaid. And Whereas all Hostilities with the several Indian Nations who lately appeared in Arms against His Majesty, are ceased, and a friendly Intercourse between His Majesty's Subjects and them is thereby happily restored:

I HAVE therefore thought fit, with the Advice of His Majesty's Council, to issue this Proclamation, thereby notifying the same, and strictly enjoining and commanding all His Majesty's Subjects of this Province, to forbear any Act of Hostility on the said Indians, or any or either of them: Hereby also declaring all Intercourse and Trade with the several Indian Nations living under His Majesty's Protection, free and open to all His Subjects; under the Restrictions mentioned in His Majesty's said Royal Proclamation, and subject to such other Regulations as shall hereafter be established by His Majesty, or his Commissaries to be appointed for that Purpose: Provided, That no Person or Persons whatsoever, until His Majesty's further Pleasure be known, do trade or traffic, vend, or dispose of any Goods, Wares, or Merchandize, of any Kind whatsoever, to any Indian or Indians, within the Country, reserved for the Indians by Royal Proclamation, except in such Forts or Posts already, or which shall hereafter be established by His Majesty, and garrisoned by His Troops, for which Purpose Licences will be granted at the Secretary's Office in Quebec, and at that of his Deputy at Montreal: For the due Observance whereof, every Trader is required to enter into Bond for double the Value of the Goods upon Oath, and specify the Quantity of Arms and Ammunition they shall carry with them.

PROVINCE OF QUEBEC.

By His Excellency the Honorable James Murray, Esq; Captain-General, Governor and Commander in Chief, in and over the said Province, and Vice-Admiral of the same, &c. &c. &c.

A PROCLAMATION.

Whereas the King, by His Royal Instructions, has commanded Me to issue a Proclamation, to make known the Terms and Conditions on which all Persons may obtain Grants of Lands in the said Province; I do, in Obedience to His Majesty's said Instructions, issue this my Proclamation, and make known to all Persons, That they may, on Application to Me in Council at Quebec, obtain Grants of Land in the said Province, in the following Quantities, and on the following Terms and Conditions.

THAT One Hundred Acres of Land will be granted to every Person, being Master or Mistress of a Family, for himself or herself, and Fifty Acres for every white or black Man, Woman or Child, of which such Person's Family shall consist, at the actual Time of making the Grant: And in Case any Person, applying as aforesaid, shall be desirous to take up a larger Quantity of Land than the Family Right entitles such Person to, upon shewing a Probability of Cultivation, an additional Number of Acres, not exceeding One Thousand, may be obtained, upon paying to the Receiver of the Quit-Rents the Sum of Five Shillings Sterling for every Fifty Acres of such additional Grant, on the Day of the Date of the said Grant.

That all Grantees be subject to the Payment of Two Shillings Sterling for every Hundred Acres, to commence at the Expiration of two Years from the Date of such Grant, and to be paid yearly, and every Year; or in Default of such Payment the Grant to be void.

That in all Grants of Land to be made, Regard will be had to the profitable and unprofitable Acres, so that such Grantee may have a proportionable Number of one Sort and the other, as likewise that the Breadth of each Tract of Land be one Third of the Length of such Tract, and that the Length of each Tract do not extend along the Banks of any River, but into the main Land, that thereby the said Grantees may have each a convenient Share of what Accommodation the said River may afford, either for Navigation or otherwise.

That all Persons, on fulfilling the Terms of their first Grant, may have a further Grant of the like Quantity of Lands, on the Terms and Conditions aforesaid.

That for every Fifty Acres of plantable Land, each Grantee shall be obliged, within three Years after the Date of his or her Grant, to clear and work Three Acres at least, on that Part of his or her Tract which he or she shall think most convenient or Advantageous, or else to clear and drain Three Acres of Swampy or sunk-in Ground, or drain Three Acres of Marsh, if any such be within his or her Grant.

That for every Fifty Acres of Land accounted barren, every Person shall be obliged to put on his or her Land, within three Years after the Date of his or her Grant, three Neat Cattle, which Number every Person shall be obliged to continue on his or her Lands, till Three Acres for every Fifty be fully cleared and improved.

That if any Person shall take up a Tract of Land, wherein there shall be no Part fit for present Cultivation, without manuring and improving the same, every such Grantee shall be obliged, within three Years from the Date of his or her Grant, to erect upon some Part of his or her Land one good Dwelling-house, at least Twenty Feet in Length, and Sixteen Feet in Breadth; and also put on his or her Land the like Number of three Neat Cattle for every Fifty Acres.

That if any Person, who shall take up any stony or rocky Grounds, not fit for Culture or Pasture, shall within three Years after passing his or her Grant, begin to employ thereon, and so continue to work, for three Years then next ensuing, in digging any Stone-Quarry or other Mine, one good and able Hand for every Hundred Acres of such Tract, it shall be accounted a sufficient Cultivation and Improvement.

That every Three Acres, which shall be cleared and worked as aforesaid, and every Three Acres which shall be drained as aforesaid, shall be accounted as sufficient Seating, Planting, Cultivation and Improvement to save for ever from Forfeiture Fifty Acres of Land, in any Part contained within the said Grant; and the Grantee shall be at Liberty to withdraw his or her Stock, or to forbear working in any Quarry or Mine in Proportion to such Cultivation and Improvement as shall be made on the plantable Lands, or upon the swampy or sunk-in Grounds or Marshes which shall be included in the same Grant.

That when any Person, who shall hereafter take up and patent any Land, shall have seated, planted and cultivated, or improved the said Land, or any Part of it, according to the Conditions and Directions abovementioned, such Patentee may make Proof of such Seating, Planting and Cultivation or Improvement, in any Court of Record in the said Province, or in the Court of the County, District or Precinct where such Lands shall be, and have such Proof certified to the Register and Office, and there entered with the Record of the said Patent, a Copy of which shall be admitted on any Tryal to prove the Seating and Planting of such Land.

And whereas this Province has been represented barren and incapable of Improvement from the Length and Severity of the Winter, it becomes necessary in this Proclamation to remove these Errors.

The Lands in General are fertile, producing Wheat and every other European Grain, at the Rate of Ten for One from the Canadian Culture, which is perhaps the worst that is practiced by any civilized People.

The Meadows, in a State of Nature, yield amazing Quantities of Hay; and the Droughts, so frequent in the more Southern Colonies, are not known here.

The Frost and Snow, so much dreaded by those who are ignorant of their Effects, yield a peculiar Happiness to this Province; they not only contribute to fertilize the Earth, but they certainly render Land-carriage Three-fourths cheaper here than in other Countries: Hence none of the Colonies are in a Situation to vie with this in the Articles of Lumber, Pot-ash, Iron and Ship-timber, as the whole Country abounds with the proper Materials, and is every where intersected with Rivers capable to convey them to the great River St. Laurence, the Navigation of which River is now known to be easy and safe; and the Advantages which the lower Parts of it afford to Adventurers in the Whale and Codfishing, should induce them to settle in the Bays of Gaspé, Chaleur and Places adjacent.

The Seven Islands, where there is an excellent Harbour, are also convenient for fishing Establishments.

Nature has bestowed more than an equal Share of the Furr-trade upon this Province. The populous Towns of Quebec and Montreal afford Markets for every Thing the industrious Farmer can raise; and it may be asserted that the Air of the Province of Quebec is as healthy as any under the Sun, for in no Country do People live to a greater Age with more uninterrupted good Health.

PROCLAMATION

Having received the Royal Orders of His Majesty in Council, given at the Court of St. James, on November 22, 1765, stating and declaring that "Whereas The governor of His Majestys Province of Quebec, with the advice of the Council of that Province, is authorized and impowered (until the Situation and Circumstances of the said Province will admit of calling general assemblies) to make such Rules & Regulations as shall appear to be necessary for the Peace order and good government of the said Province, taking Care that nothing be passed or done, that shall any ways tend to affect the Life Limb or Liberty or the Subject or to the imposing any Dutys or Taxes; which Rules and Regulations are directed to be transmitted to His Majesty for his approbation or Disallowance, And whereas in pursuance of the said Powers the following Rules

and Regulations have been made in the said Province and transmitted intituled as follows Viz[t]:

An Ordinance for the better discovering & Suppressing unlicensed houses, dated 3[d] Nov[r]. 1764.

An Ordinance for the better observance of the Lords Day, dated the 6 Novemr. 1764

An Ordinance for billeting His Majestys Troops on private housekeepers in the Province of Quebec dated the 12 Nov[r] 1764.

Together with an additional ordinance published on the 29 of the same month in further explanation of it

Which ordinances together with a Representation from the Lords Commissioners for Trade & Plantations thereupon, having been referred to the Consideration of a Committee of the Lords of His Majestys most honourable Privy Council for Plantation affairs, the said Lords of the Committee did this Day report to His Majesty that the said Ordinances ought all of them to be repealed His Majesty is thereupon pleased with the advice of His Privy Council to declare his Disallowance of the said Ordinances, and pursuant to His Majestys Royal Pleasure thereupon expressed, the said Ordinances are hereby repealed, declared void, and of none effect, whereof the governor or Commander in Chief of His Majestys Province of Quebec for the time being and all others, whom it may concern are to take Notice and govern themselves accordingly.

I have judged it proper, by and with the Advice and Consent of His Majesty's Council, to publish this Proclamation, hereby making known to all Subjects of His Majesty in this Province, the Royal Orders of His Majesty above set forth, touching and concerning the above mentioned Ordinances, to the end that no Person can plead Ignorance respecting them.

Given under my Hand and Seal at Arms at the Castle of St. Louis, in the City of Quebec, this twenty-fifth day of April, in the sixth year of the Reign of Our Sovereign Lord George the Third, by the Grace of God, of Great Britain, France and Ireland, King, Defender of the Faith and so forth. Anno Domini 1766.

By His Excellency's Command,
Ja. Potts D.C.C.

This proclam[n]. is a translation of the French copy, no English copy having so far been found. The *Quebec Gazette* suspended publication during the period in which the Stamp Act was operative in Quebec.

By His Excellency the Hon[ble]. James Murray, Esquire, Captain General and Governor in Chief of the Province of Quebec, the Territories and Dependencies thereof in America, Vice-Admiral of the same, Major General of His Majesty's troops, and Colonel-Commandant of the second Battalion of the Royal American Regiment, &c., &c., &c.

Proclamation

Whereas a convention to liquidate, and make a final settlement respecting the Canada paper belonging to the subjects of Great Britain, has been signed in London, on March 29th last, by the Right Hon[ble]. Henry Seymour Conway, one of His Majesty's Principal Secretaries of State and by Count de Guerchy, Ambassador of His Most Christian Majesty at the Court of England, Plenipotentiaries appointed by their said Majesties for that purpose; In conformity therewith, and in obedience to His Majesty's orders signified to me by his said Secretary of State, I deem it proper to issue this proclamation and to notify all subjects of His Majesty, British and Canadians in this Province, who are proprietors or holders of Canada paper, that they must henceforth send this paper to London, in order that it may arrive there to be declared before

the Commissioners or Deputies who will be appointed, before the first day of October next, since, after that time, the paper will not be admitted. The attention of His Majesty to the welfare of all his subjects has engaged him in this matter, to provide for the just satisfaction of their demands at the French Court, it is however by no means the intention of His Majesty that persons other than the true subjects of Great Britain may be benefitted by the said convention, and they alone are the object of the last treaty of Peace; and whereas it is to be feared that the subjects of His Most Christian Majesty are now plotting by an underhand commerce to send to Canada quantities of this paper, which belong to French people, to be transmitted from here to England, and having them pass as belonging to English people; and the form of the said convention making it the true interest of His Majesty's subjects who are honestly and bona fide the proprietors of such paper money, to include all those who are not, for the more paper there is admitted, the less will be the share of the premium granted to be paid to the several proprietors of the genuine paper; it is for that reason that I enjoin and require strictly all those in this government who are interested in the said paper to give particular attention, and, under no pretext whatever, to trade or traffic with, or send to England, any paper money, which may come from France, belonging to French subjects, such intrigues being fraudulent, and cannot fail to be discovered, as all those who receive paper money in London and who present it for liquidation, are obliged to take the following oath, to wit:—

"I make oath that the said papers have not been bought, or negotiated in France. as belonging to French people, or acquired directly or indirectly from natives of France, who were the proprietors of it at the date of the last treaty of peace; and that no part of these papers have been brought from Europe to Canada, for the purpose of giving to French property the sanction of British ownership, which I affirm and swear solemnly. So help me God.

Given under my sign and seal of my arms at the Chateau of St. Lewis at Quebec. the 27th May, in the sixteenth year of the reign of our sovereign Lord George the Third, by the grace of God, of Great Britain, France, and Ireland, Defender of the Faith, &c., & in the year of our Lord One Thousand Seven hundred and sixty six. :

Long live the King,

Whereas there was this Day read at the Board, a Report from the Right Honorable the Lords of the Committee of Council for Plantation Affairs, dated the 12th of this Instant, in the Words following, viz.

"Your Majesty having been pleased, by your Order in Council, of the third of December last, to refer unto this Committee, the humble Petition of Anthony Merry, of London, Merchant, in Behalf of himself, George Allsopp, Joseph Howard, and Edward Chinn, Merchants, and Inhabitants of your Majesty's Province of Canada, in North-America, setting forth, amongst other Things, That, in Consequence of your Majesty's Royal Proclamation of the 7th of October, 1763, and of another Proclamation, issued in your Majesty's Name, by his Excellency General Murray, Governor of Quebec, on the 31st of January, 1765, the Petitioners were encouraged to load a Vessel with sundry Merchandize, provide Canoes, and every Thing necessary and proper for carrying on the Trade with the Indians, at a Place called the King's Posts of Tadousac and Chegotimi, on the River Saguenay, in the Neighbourhood of Lake St. John, and having built a Shed, or Ware-house, for the Reception of their Goods, and at a very considerable Expence, established themselves, gained the Indians to their Interest, and made a Settlement on Lake St. John, they were prohibited from prosecuting their Plan, by your Majesty's Receiver-General, and the President and Council of Quebec; and humbly praying, That your Majesty will be graciously pleased to grant them an Order for Liberty to dispose of such Goods as they had sent up, or your Majesty's Royal Mandate for a Grant of such Lands as are mentioned in a Petition presented by them to Governor Murray, or to be otherwise relieved in the Premises.

"The Lords of the Committee, in Obedience to your Majesty's said Order of Reference, this Day took the said Petition, together with a Report made thereupon, by the Lords Commissioners for Trade and Plantations, dated the second of this Instant, into their Consideration, and do agree humbly to report to your Majesty, as their Opinion, that the Petitioners had no Right, by your Majesty's Proclamation of the 7th of October, 1763, to trade at the Posts of the Royal Domain at Tadousac and Chigotimi, on the River Saguenay, in the Province of Canada, or to erect any Magazines, or make any Establishment for the Purpose of Trade there, and that your Majesty's Right thereto ought to be considered as excluded from the general Right to Free Trade, granted by the said Proclamation, and ought to be carried on only by your Majesty's Lessees, under your particular Licence for that Purpose, and that the Buildings and Magazines erected at the said Posts by the Petitioners should be demolished, and that the Goods sent there by the Petitioners be returned to them, notwithstanding the Manner in which they conveyed them thither: And their Lordships humbly submit to your Majesty, that the said Petition of Anthony Merry, and others, should be dismissed."

His Majesty taking the same into Consideration, was pleased, with the Advice of his Privy Council, to approve thereof, and to order, as it is hereby ordered, that the Buildings and Magazines erected at the said Posts by the Petitioners be demolished, and that the Goods sent there by the Petitioners be returned to them: And it is hereby further ordered, That the said Petition of Anthony Merry, and others, be dismissed this Board, whereof the Governor, Lieutenant-Governor, or Commander in Chief of his Majesty's Province of Quebec for the Time being, and all others whom it may concern, are to take Notice and govern themselves accordingly.

Captain-general and Governor in Chief in and over the Province of Quebec, and the Territories depending thereon in America, Vice-Admiral of the Same, Keeper of the Great Seal thereof, and Major-general of his Majesty's Forces, Commanding the Northern District, &c. &c.

A PROCLAMATION.

Whereas for the Reasons set forth in an Act passed in the Fourteenth Year of His present Majesty's Reign, intituled, "An Act for making more effectual Provision for the Government of the Province of Quebec, in North-America," all Commissions, Ordinances, and Authorities relative to the present Administration of Justice in this Province cease and become void, from and after the First Day of May in this present Year, One thousand seven hundred and seventy-five; and whereas the Weight and Importance of erecting proper Courts for the future Administration of Justice in this Province demand much Time and Deliberation, by Reason whereof the same cannot be immediately established; but whereas much mischief and Inconvenience might in the mean-time arise to the Publick, if some proper Persons were not authorized in this Province to render all Offenders against the Law, and absconding Debtors, amenable

to Justice, by obliging them to appear before such Courts, when the same shall be established, and then and there to answer the Charges that shall be respectively exhibited against them: I have therefore thought fit to issue this Proclamation, In order to make known to all Persons residing in this Province, and others whom it may concern, that by Virtue of the Powers and Authorities to me given by His Majesty's Commission, under the Great Seal of Great-Britain, bearing date at Westminster, the Twenty-seventh Day of December, in the fifteenth Year of his Reign, and published at Quebec, the Twenty-fourth Day of this Instant April, I have constituted and appointed Adam Mabane, Thomas Dunn, John Fraser and John Marteilhe, Esquires, His Majesty's Justices of the Courts of Common-pleas for the Districts of Quebec and Montreal in this Province; and Hertel Rouville of Montreal, and John Claude Panet of Quebec, Esquires, or any two or more of them, to be from and after the said first Day of May next ensuing, during Pleasure, or until proper Courts of Judicature can be established in the said Districts, Conservators of the Peace throughout the same, with all necessary Powers and Authorities for that and other the Purposes aforesaid, to be done and executed According to Law; and further, from and during all the time aforesaid, to be Commissioners for suing out Civil Process, and causing the same to be executed in the said Districts, in such Manner as the Law directs and by their Commission is appointed. And all His Majesty's Subjects of this Province are hereby required, when called upon, to aid and assist the above named Conservators of the Peace, and Commissioners, in the Execution of their said Office. And whereas it is also judged inexpedient, for the present, to appoint new Bailiffs for the said Districts of Quebec and Montreal, I have thought fit to continue them in their said office, and do hereby direct them to continue in the Exercise of the same, until further Orders, whereof they, and all whom it may concern, are required to take Notice and to govern themselves accordingly.

Given under my Hand and Seal at Arms, at the Castle of Saint Lewis, in the City of Quebec, this Twenty-sixth Day of April, One thousand seven hundred and seventy-five, in the Fifteenth Year of the Reign of our Sovereign Lord George the Third, by the Grace of God, of Great-Britain, France and Ireland, King, Defender of the Faith, and so forth.

A PROCLAMATION.

Whereas some evil designing and wicked Persons did, in the Night, between the 30th April and 1st May last past, Wantonly and Maliciously disfigure the Bust of his Majesty, in the Town of Montreal, in this Province; and further did then and there affix thereto, a False and Scandalous Libel, in Writing, tending to lessen him in the Esteem of his Subjects, weaken his Government, and raise Jealousies between him and his People: To the Intent therefore that all such ill-disposed Persons may be discovered

and brought to Justice, I have thought fit to publish this Proclamation, hereby offering a Reward of Two Hundred Dollars, and if a Party concerned his Majesty's Pardon, to any one (except the Person who actually did disfigure the said Bust, or affix the said Libel,) who shall discover the Persons guilty of the above Offence; to be paid by the Receiver-general of this Province, on the Conviction of any one, or more of them.

A PROCLAMATION.

Whereas a Rebellion prevails in many of His Majesty's Colonies in America, and particularly in some of the neighbouring ones; And Whereas many of the aforesaid Rebels, have with an Armed Force made Incursions of Late into this Province, attacking and Carrying away from thence, a Party of His Majesty's Troops, together with a parcel of Stores and a Vessel belonging to His Majesty, and are at present actually invading this Province with Arms in a traiterous and hostile manner, to the Great terror of His Majesty's Subjects, and in open Defiance of his Laws and Government, falsely and maliciously giving out, by themselves & their Abettors, that the Motives for so doing, are to prevent the Inhabitants of this Province from being taxed and oppressed by Government, together with divers other false, and seditious Reports, tending to inflame the Minds of the People and alienate them from His Majesty: To the end therefore that so treasonable an Invasion may be soon defeated, that all such Traitors with their said Abettors may be speedily brought to Justice, and the Publick Peace and tranquility of this Province again restored, which the ordinary course of the Civil Law is at present unable to effect, I have thought fit to Issue this Proclamation, hereby declaring that, untill the aforesaid good Purpose can be attained, I shall, in virtue of the Powers and Authority to me given by His Majesty, execute Martial-Law, and Cause the same to be executed throughout this Province, and to that end I shall order the Militia within the same to be forthwith raised; but as a sufficient number of Commissions to the several Officers thereof cannot be immediately made out I shall in the mean time direct all those having any Militia Commissions from the Honble Thomas Gage, the Honble James Murray, Ralph Burton, & Frederick Haldimand, Esquires, heretofore His Majesty's Governors in this Province, or either of them, to Obey the same, and execute the Powers therein mentioned, untill they shall Receive orders from me to the contrary; And I do accordingly in His Majesty's Name hereby require and Command all His Subjects in this Province, and others whom it may Concern, on pain of disobedience, to be aiding and assisting to such Commissioned

Officers, and others who are or may be Commissioned by me, in the Execution of their said Commissions for His Majesty's Service.

A PROCLAMATION,

For suppressing Rebellion and Sedition.

George R.

Whereas many of Our Subjects in divers Parts of Our Colonies and Plantations in North America, misled by dangerous and ill-designing Men, and forgetting the Allegiance which they owe to the Power that has protected and sustained them, after various disorderly Acts committed in Disturbance of the Publick Peace, to the Obstruction of lawful Commerce, and to the Oppression of Our loyal Subjects carrying on the same, have at length proceeded to an open and avowed Rebellion, by arraying themselves in hostile Manner to withstand the Execution of the Law, and traitorously preparing, ordering, and levying War against Us; And whereas there is Reason to apprehend that such Rebellion hath been much promoted and encouraged by the traitorous Correspondence, Counsels, and Comfort of divers wicked and desperate Persons within this Realm: To the End therefore that none of Our Subjects may neglect or violate their Duty through Ignorance thereof, or through any Doubt of the Protection which the Law will afford to their Loyalty and Zeal; We have thought fit, by and with the Advice of Our Privy Council, to issue this Our Royal Proclamation, hereby declaring that not only all our Officers Civil and Military are obliged to exert their utmost Endeavours to suppress such Rebellion, and to bring the Traitors to Justice; but that all Our Subjects of this Realm and the Dominions thereunto belonging are bound by Law to be aiding and assisting in the Suppression of such Rebellion, and to disclose and make known all traitorous Conspiracies and Attempts against Us, Our Crown and Dignity; And we do accordingly strictly charge and command all Our Officers as well Civil as Military, and all other Our obedient and loyal Subjects, to use their utmost Endeavours to withstand and suppress such Rebellion, and to disclose and make known all Treasons and traitorous Conspiracies which they shall know to be against Us, Our Crown and Dignity; and for that Purpose, that they transmit to One of Our Principal Secretaries of State, or other proper Officer, due and full Information of all Persons who shall be found carrying on Correspondence with, or in any Manner or Degree aiding or abetting the Persons now in open Arms and Rebellion against Our Government within any of Our Colonies and Plantations in North America, in order to bring to condign Punishment the Authors, Perpetrators, and Abettors of such traitorous Designs.

And I do likewise strictly Order and Command all Tavern-keepers, Keepers of Publick-houses, and all Persons who shall receive any Stranger or Strangers after the Publication of this Proclamation, to Report the Name, place of abode, &c^{a}. of all such, in like manner to some one or other of the Persons aforementioned within two hours after the coming of such Stranger or Strangers, upon the like Pain and Peril as herein before expressed.

SESSIONAL PAPER No. 29a

(Translation)

By His Excellency Guy Carleton, Captain-General and Governor in-Chief in the entire Province of Quebec, and territories dependent thereupon in America, Vice-Admiral thereof, Major General of His Majesty's forces, commanding the Northern Department &c. &c. &c.

To all the Captains and other officers commanding the Militia in the Province of Quebec &c.

Whereas a considerable number of the faithful subjects of His Majesty, who have repaired to us (to give proofs of their zeal and fidelity to his said Majesty) have left much of their work at home unfinished; and as it would not be just that such subjects should suffer for having distinguished themselves; and since it is most desirable for the general welfare of the Province that the work in the country parts should be finished before bad weather sets in:

For these reasons, We order you, each in your several districts, to cause all the work and labour which the said inhabitants of your districts, who are serving with us, or elsewhere, by our orders, have not been able to do and cannot do, to be done by the inhabitants who remain at home, by corvées which you will regulate with justice, and carry on with strictness; such as mowing the hay, cutting the oats and other grain; bind and house the whole in good condition, do the ploughing, repair the buildings and put them in condition for winter.

We declare to you that, if you should fail to attend to the execution of the present order, We will hold you personally responsible, and we will make those disregarding this order pay and reimburse all losses and damages which may be suffered by the faithful subjects of the King, who have generously preferred his service and the tranquillity of the Province to their own private interests.

We require and order you to publish without delay, at the doors of the churches as well as wherever else it may be necessary, our said present order, and to give assurances of having done so to the Colonels of Militia in the several districts, who are by these presents ordered to report respecting it, to our lieutenant governor, for the parishes of Quebec, and to us or in our absence to the officer commanding, for those of Trois Rivières and Montreal.

A PROCLAMATION.

Whereas it has been found expedient to raise and embody a Militia within this City, to co-operate with, and to assist His Majesty's Troops in this Garrison in the Preservation of the City and of the Persons and Property of His Majesty's good and faithful Subjects resident therein, against certain rebellious Persons who have invaded this Province, a number of whom have lately appeared in Arms before the Walls of this Town And Whereas Information has been given me that some persons resident here have contumaciously refused to enroll their Names in the Militia Lists, and to take up Arms in Conjunction with their Fellow Citizens for the purpose aforesaid; and that others who have enrolled their Names and had for some Time carried Arms in the Defence and Preservation of the City, have lately laid them down; And also that some Persons are busy in endeavouring to draw away and alienate the Affections of His Majesty's good and faithful Subjects of this City from His Majesty's Person and Government For these Reasons, and in Order to rid the Town of all useless, disloyal, and treacherous Persons I have thought fit to issue this Proclamation And I do hereby strictly order and enjoin all and every person and persons whatsoever liable to serve in the Militia and residing at Quebec who have refused or declined to enroll their Names in the Militia Lists, and to take up Arms in Conjunction with his Majesty's good Subjects of this City, and who still refuse or decline so to do; as well as those, who having once taken up Arms, have afterwards laid them down, and will not take them up again, to quit the Town in four Days from the Date hereof, together with their Wives and Children, and to withdraw themselves out of the Limits of the District of Quebec before the first Day of December next, Under Pain of being treated as Rebels or Spies, if thereafter they shall be found within the said Limits.

And inasmuch as the persons who in Obedience to this Proclamation are to quit this Town and District, may have bought up a considerable Quantity of the Provisions brought in for the subsistence of the Inhabitants of the Town; And it would be imprudent to suffer those Provisions to be carried out, more especially as the Country abounds with the Necessaries of Life; I do hereby further order and enjoin all and every such person and persons to deliver in forthwith to the Honble George Allsopp Esquire Commissary, a true Inventory or List of their Provisions and Stores, in order that they may be fairly and justly valued and the full Price paid to the respective Proprietors before their Departure.

Whereas I am informed that many of His Majesty's deluded subjects of the neighbouring Provinces labouring under Wounds and diverse disorders are dispersed in the adjacent Woods and Parishes, and in great Danger of perishing for Want of proper Assistance; All Captains and other officers of Militia are hereby commanded to make diligent search for all such distressed Persons, and afford them all necessary Relief, and convey them to the General Hospital, where proper care shall be taken of them. All reasonable Expences which may be incurred in complying with this Order shall be repaid by the Receiver general.

A PROCLAMATION.

Whereas there remains on hand a great quantity of the last year's wheat, and the crops of this year are very abundant, a considerable part of which is already got in;

and it is conceived that it will not be detrimental to the province, nor to his majesty's troops therein, to suffer an exportation thereof; I hereby make known to all his majesty's subjects in this province, that I do allow a general exportation of wheat. But inasmuch as the exportation of any cattle or live stock out of the province; or of flower and biscuit elsewhere than to the fisheries, Nova Scotia and the West Indies, may at this time be greatly prejudicial to the province and his majesty's troops therein; I have thought proper to order, and I do hereby strictly order that no person or persons whatsoever, at any time after the publication hereof, and before the First day of December next, shall directly or indirectly export or cause to be exported out of this province, any cattle or live stock to any place whatsoever; or any flower or biscuit elsewhere than to the fisheries, Nova Scotia or the West Indies.

And I do hereby forbid all the officers of his majesty's customs within this province to make any entries or clearances of any vessel or vessels which shall have on board any cattle or live stock; or any flower or biscuit other than for the fisheries, Nova Scotia or the West Indies; excepting only such and so much of the said commodities as shall be necessary to be carried for the sustenance, diet and support of the commanders, masters, mariners, passengers or others in the same vessels, for their respective voyages.

PROCLAMATION

Whereas His Majesty's Service in the month of November last, did require a temporary prohibition upon the exportation of Wheat, Flower, and Biscuit, out of this Province. Such prohibition was directed and commanded by my Proclamation on the seventh day of November last, and to continue unto the first day of August next.

And Whereas by the artful management of rapacious and designing Men, Wheat and Flower, at a time of great plenty, have been advanced to an exorbitant price; to the great prejudice, the oppression of His Majesty's Subjects in this Province in general; and of the Poor in particular. PROCLAMATION.

Whereas upon an enquiry made by the Magistrates for the District of Quebec, into the causes of the great price of Wheat and Flower, at a time of plenty. It hath been represented to Me, that the several persons who had been induced to violate the Laws, and commit the Offences and Crimes of Forestalling, Regrating, and Ingrossing, had become offenders from an ignorance of the Statutes and Laws of England, which respect those offences, rather than from any wilful and criminal design in the commission of the several Offences they have fallen into in the said District of Quebec.

I have therefore thought fit, by and with the Advice of His Majesty's Council, to Issue this Proclamation in order to make known to all His Majesty's Subjects in this Province, what are the Laws against Forestalling, Regrating, and Ingrossing.

I°. Whosoever shall buy, or cause to be bought any Merchandize, victual, or any other thing whatsoever coming by land or water, toward any Market or Fair, to be sold in the same; or who shall make any bargain, contract, or promise for the having, or buying of the same or any part thereof; so coming as aforesaid, before the said Merchandize, Victuals, or other things shall be in the Market, Fair, City, Port, Haven, Creek, or Road, ready to be sold; or whosoever shall make any motion, by word, letter, message, or otherwise, to any Person or Persons for enhancing of the Price, or dearer selling of any thing or things above-mentioned; or otherwise shall dissuade, move or stir any person or persons coming to the Market, or the Fair, to abstain or forbear to bring any of the things above-mentioned to any Market, Fair, City, Port, Haven, Creek or Road, to be sold as aforesaid; shall be deemed taken and adjudged A Forestaller.

II°. That whosoever shall by any means regrate, obtain or get into his or their hands or possession; in any Fair or Market, any Corn, Flower, Wine, Fish, Butter, Cheese, Candles, Tallow, Sheep, Lambs, Calves, Swine, Pigs, Geese, Capons, Hens, Chickens, Pigeons, or dead Victual whatsoever, that shall be brought to any Fair or Market to be sold; and such person so regrating, obtaining or getting the same into his hands and possession, do sell the same again in any Fair or Market, holden or kept in the same place; or in any other Fair or Market, within four miles thereof; shall be accepted, reputed and taken to be a Regrator or Regrators.

III°. That whosoever shall ingross or get into his or their hands by buying, contracting, or promise-taking (other than by demise, grant or lease of Land or Tithe) any Corn growing in the Fields, or any other Corn, or Grain, Flower, Butter, Cheese, or other dead Victuals whatsoever; to the intent to sell the same again, shall be accepted, reputed, and taken an unlawful Ingrosser, or Ingrossers.

IV° That if any person or persons shall offend in any of the things before recited and being thereof duly convicted, shall for his or their first Offence suffer imprisonment for the space of two months without Bail or Mainprize. And shall also lose and forfeit the value of the Goods, Cattle, and Victual, so by him or them bought or had as aforesaid.

And shall, for his or their second Offence suffer imprisonment for the space of six months or one half year without Bail or Mainprize. And shall lose and forfeit double the value of all the Goods, Cattle, and Victual, by him or them so bought or had as aforesaid.

And shall for his or their third Offence, be set on the Pillory in the City, Town, or Place, where he or they shall then dwell and inhabit. And shall lose and forfeit all the Goods that he or they may have to their own use, and also be committed to prison, there to remain during the King's Pleasure.

V° That His Majesty's Justices of the Peace in the several Districts of this Province, at their Quarter-sessions have full Power and Authority to enquire, hear and determine, all and every the Defaults and Offences perpetrated, committed or done within the several Districts aforesaid, contrary to certain Statutes of the fifth and sixth of Edward the Sixth, Chapter fourteen, especially made and provided for such Offences. And to be enquired of, heard and determined upon, as aforesaid, by Inquisition, Presentment, Bill or Information, before the said Justices to be exhibited, and upon and by the examination of two Lawful Witnesses, and thereupon to make Judgment, Process and Execution, as though they were Indicted before the said Justices, by Inquisition, or by the Verdict of twelve Men, or more;

VI° And upon conviction of the Offender by Information or Suit of any other than His Majesty, to make extracts of the one moiety of the forfeitures to be levied to the use of His Majesty, and to award Execution of the other moiety for the Complainant or Informer, against the Offender by Fieri Facias or Capias; and if any conviction be at the King's Suit only, in such case the whole forfeiture shall then be extracted and levied to the use of His Majesty only.

And I do hereby require and enjoin all His Majesty's Commissioners of the Peace and others whom it may concern in the several Districts throughout this Province, to be diligent in preventing as well the Commission of such Offences, as in bringing to Justice and Punishment all Persons who may be found to have offended against the said Statute; and the Laws which prohibit Forestalling, Regrating, and Ingrossing, Crimes equally hurtful to His Majesty's Service in particular, as oppressive to the poor of this Province in general.

Whereas Colonel Thomas Dundas and Jeremy Pemberton Esquires Commissioners specially named and appointed by an Act of parliament, made and passed in the twenty-fifth Year of His Majesty's Reign, intitled, "An Act for appointing Commissioners further to enquire into the Losses and Services of all such persons who have suffered in their Rights, Properties and Professions during the late unhappy dissentions in America in consequence of their Loyalty to his Majesty, and Attachment to the British Government," in a dispatch addressed to me received by Express last night by the way of New Brunswick dated at the Office of American Claims at Halifax in Nova Scotia the 17th of November last, have intimated their arrival there for the purposes specified in the said Act, which they have transmitted to me, together with a copy of a Notice or Explanation that they have thought necessary to publish, "in order to inform persons concerned of the manner in which they intend to proceed in examining former claims, and in receiving and examining new Ones; requesting of me to make the same public in this province: And whereas the said Commissioners have observed to me in their Letter that though by the method pointed out in their Notice they have greatly consulted the convenience of persons concerned, so as to prevent a too early or unnecessary attendance, yet that they the said Commissioners wish them also to be aware that they shall proceed from day to day at Halifax with all the expedition in their power; and as the mode adopted by parliament seems to be by ordering payment upon account to those Claimants whose cases are satisfactorily proved, that it is but justice to apprize them of the advantages which they may gain by a priority of Hearing, and how much it is their Interest to have an early examination of their Claims, at which their personal attendance will be necessary." I do hereby, with the advice of His Majesty's Council notify to all persons whom it may concern within this province that on the thirteenth day of March next I shall dispatch an Express to Halifax for the purpose of forwarding to the Office of American Claims there, all such Claims, made conformable to the said Notice, as may at any time before that day be transmitted to me at the Castle of St. Lewis. Whereas it has been represented to me in Council, that the Secretary's Office in the Bishop's Palace was broken into in the night between the twenty-second and twenty-third days of March last by persons hitherto unknown, who after having forced open several Drawers, Boxes, and other Repositories of public and private papers, took away several articles of Stationery, and other Effects, particularly a brass-hilted Hanger and black leather Sheath broken at the point. And whereas it has likewise been represented to me in Council that in the night of the twenty-ninth of the same month, a Store belonging to Mr. William Gill in the Lower-town of Quebec was broken into, the shutters of the shew-windows thereof, together with the window frames and several panes of glass being forced open, and several articles of Earthen Ware taken therefrom by persons likewise unknown. Whereas, in consequence of Information conveyed to me from the Accadians and other persons who have been long settled on ungranted Lands in the Bay of Chaleurs, that they suffered great anxiety from the apprehensions of losing the establishments which they had acquired by their Labour and Industry:—I did on the 25th day of November last, for the purpose of quieting their minds, issue my Proclamation, assuring them that while they continued to behave as peaceable and good subjects to the King, they would receive protection and encouragement from Government; and that such of them as should produce to Nicholas Cox, Esquire, Lieutenant-Governor of Gaspée and its dependencies, authentic proofs of their having cleared and improved the Lands on which they were settled, should (in case the same had not been previously granted) receive deeds of Concession thereof, at the same time, and on the same terms and conditions with the Loyalists lately settled in the said Bay, upon their taking the Oaths and making and signing the Declaration required from them by His Majesty's Instruction.

And whereas in Order to fulfill the said assurances entered into on my part, it is expedient that the said several Settlers should on their parts recognize themselves, and make an exact designation as to the extent and boundaries of the Lands they may have severally settled upon and improved;

I have thought fit, by and with the Advice of His Majesty's Council, to issue this Proclamation, hereby requiring and commanding all persons, whether Accadians, Canadians or Europeans, settled at Chaleurs Bay who claim, or have any pretentions to any Lands, be it with or without any written titles, to deliver their names in writing and lodge their pretentions to such Lands specifically and amply stated, with Samuel Holland, Esq, Surveyor General, or with John Collins, Esqr, Deputy Surveyor General of the Province, one of whom I shall direct shortly to repair to Chaleurs Bay, to receive the Pretentions and Claims of the Settlers, to make a faithful Extract of the Grants or other written Titles which may be produced to him, and an exact survey of

For the Encouragement of Piety and Virtue, and for preventing and punishing of Vice, Profaneness, and Immorality.

GEORGE R.

Whereas we cannot but observe, with inexpressible concern, the rapid progress of impiety and licentiousness, and that deluge of profaneness, immorality, and every kind of vice, which, to the scandal of our holy religion, and to the evil example of our loving subjects, hath broken in upon this nation: we therefore, esteeming it our indispensable duty to exert the authority committed to us for the suppression of these spreading evils, fearing lest that they should provoke God's wrath and indignation against us, and humbly acknowledging that we cannot expect the blessing and goodness of Almighty God (by whom Kings reign, and on which we rely) to make our reign happy and prosperous to ourself and our people, without a religious observance of God's holy laws; to the intent that religion, piety, and good manners, may (according to our most hearty desire) flourish and increase under our administration and government, have thought fit by the advice of our Privy Council, to issue this our Royal Proclamation, and hereby declare our royal purpose and resolution to discountenance and punish all manner of vice, profaneness, and immorality, in all persons of whatsoever degree or quality, within this our realm, and particularly in such as are employed near our royal person; and that, for the encouragement of religion and morality, we will, upon all occasions, distinguish persons of piety and virtue, by marks of our royal favour: and we do expect and require, that all persons of honour, or in place of authority, will give good example by their own piety and virtue, and to their utmost contribute to the discountenancing

persons of dissolute and debauched lives, that they, being reduced by that means to shame and contempt for their loose and evil actions and behaviour, may be thereby also enforced the sooner to reform their ill habits and practices, and that the visible displeasure of good men towards them, may, (as far as it is possible) supply what the laws (probably) cannot altogether prevent; and we do hereby strictly enjoin and prohibit all our loving subjects, of what degree or quality soever, from playing, on the Lord's Day, at dice, cards, or any other game whatsoever, either in public or private houses, or other place or places whatsoever: and we do hereby require and command them, and every of them, decently and reverently to attend the worship of God on the Lord's Day, on pain of our highest displeasure, and of being proceeded against with the utmost rigour that may be by law. And, for the more effectual reforming all such persons, who by reason of their dissolute lives and conversation, are a scandal to our kingdom, our further pleasure is, and we do hereby strictly charge and command all our Judges, Mayors, Sheriffs, Justices of the Peace, and all other our officers and ministers, both ecclesiastical and civil, and all other subjects, to be very vigilant and strict in the discovery and the effectual prosecution and punishment of all persons who shall be guilty of excessive drinking, blasphemy, profane swearing and cursing, lewdness, profanation of the Lord's Day, or other dissolute, immoral, or disorderly practices; and that they take care also effectually to suppress all public gaming houses and other loose and disorderly houses, and also all unlicensed public shews, interludes, and places of entertainment, using the utmost caution in licensing the same: also to suppress all loose and licentious prints, books and publications dispersing poison to the minds of the young and unwary, and to punish the publishers and venders thereof; and to put into execution the statute made in the twenty-ninth year of the reign of the late King Charles the Second, intituled, An Act for the better Observation of the Lord's Day, commonly called Sunday; also an act of parliament made in the ninth year of the reign of the late King William the Third, intituled, An Act for the more effectual suppressing of Blasphemy and Profaneness; and also an act passed in the twenty-first year of our reign, intituled, An Act for preventing certain Abuses and Profanations on the Lord's Day, called Sunday; and all other laws now in force for the punishing and suppressing any of the vices aforesaid; and also to suppress and prevent all gaming whatsoever in public or private houses on the Lord's Day; and likewise that they take effectual care to prevent all persons keeping taverns, chocolate houses, coffee houses, or other public houses whatsoever, from selling wine, chocolate, coffee, ale, beer, or other liquors, or receiving or permitting guests to be or remain in such their houses in time of Divine Service on the Lord's Day, as they will answer it to Almighty God, and upon pain of our highest displeasure. And for the more effectual proceeding herein, we do hereby direct and command all our Judges of Assize, and Justices of the Peace, to give strict charge at their respective assizes and sessions, for the due prosecution and punishment of all persons that shall presume to offend in any of the crimes aforesaid; and also of all persons that, contrary to their duty, shall be remiss or negligent in putting the said laws in execution; and that they do, at their respective assizes and quarter sessions of the peace, cause this our Royal Proclamation to be publickly read in open Court, immediately before the charge is given. And we do hereby further charge and command every minister in his respective parish, church or chapel to read this our Proclamation at least four times in every year, immediately after Divine Service, and to incite and stir up their respective auditors to the practice of piety and virtue, and the avoiding of all immorality and profaneness. And, to the end that all vice and debauchery may be prevented, and religion and virtue practised by all officers, private soldiers, marines, and others who are employed in our service by sea and land, we do hereby strictly charge and command all our commanders and officers whatsoever, that they do take care to avoid all profaneness, debauchery, and other immoralities, and that by their own good and virtuous lives and conversation, they do set good examples to all such as are under their care and authority; and likewise take care of and inspect the behaviour of

all such as are under them and punish all those who shall be guilty of any of the offences aforesaid, as they will be answerable for the ill consequences of their neglect herein.

Quebec Gazette, January 17, 1788.

GEORGE the Third, by the Grace of God, of Great-Britain, France, and Ireland, King, Defender of the Faith:

To all Our loving Subjects whom these presents may concern; Greeting:

Whereas by an act or ordinance of Our province of Quebec, intitled, an ordinance to continue in force for a limited time, an ordinance made in the twenty-fifth year of his majesty's reign, intitled, " An ordinance to regulate the proceedings in the courts of civil judicature, and to establish trials by juries in actions of a commercial nature, and personal wrongs to be compensated in damages, with such additional regulations as are expedient and necessary," authority is given to the governor, with the advice and consent of the council, to appoint judges or commissioners for the trial of small causes in jurisdictions of limits to be ascertained by their commissions, and to regulate the fees of the commissioners and their subordinate officers, and to direct their mode of proceeding. Know ye therefore that in pursuance of the said act or ordinance, and for carrying the same into execution, Our said governor, by and with the advice and consent of Our said council, hath thought fit to establish, and doth hereby establish the following regulations:

FIRST.

That the court be held by not less than two of the commissioners, and for the first time, in a month after the commissioners and the other officers thereof shall have severally taken the oath of office, well and faithfully to execute the same according to the best of their skill and understanding; and afterwards monthly, or oftner on adjournment, at some place nearly centrical or most convenient to the settled parts of the circle or precinct of their jurisdiction.

SECONDLY.

That all process run in the King's name, and issue out of the office of the clerk of the circle appointed under the Great Seal of Our said province, and be served by the serjeant thereof thereunto appointed by the commissioners or the majority of them, under their hands and seals, and determinable at their pleasure.

THIRDLY.

That the general course of proceeding, as nearly as the law may require and permit, may be according to the manner specified in the following articles:

1st. All plaintiffs applying to the clerks office shall have process of summons to the serjeant against residents of the circle, and of capias against persons non-residents of the province, on affidavit filed shewing the stated residence of the defendant to be out of the bounds of the province.

2d. If the defendant, being duly served with the process, stating the general cause of action, shall not make defence at the return thereof, the court is to hear the plaintiff's cause and proofs and give Judgment for such sum as according to equity and good conscience shall appear to be due, with costs.

3d. If the defendant appears, the plaintiff's cause or demand shall be signified in writing or a note thereof entered in the minutes of the court, and in like manner the plea or defence, and the cause be tried and adjudged at the next court, unless there be good cause shewn to postpone the same.

4th. If the plaintiff shall make default in prosecuting his complaint, he shall have judgment of non-pross against him with costs to the defendant.

5th. Unless non-residents of the province give bail on arrest, the serjeant shall carry them to the goal of the circle, and if there is none erected, to the goal of the district of which that circle is a part, where they are to be safely kept, and remain until discharged by the consent of the plaintiff, or the order of the commissioners of the circle certified by the clerk.

6th. A deposit by the defendant, on capias, of money of the value of the demand and probable costs, or of effects easily kept by the clerk without charge, of double the value of the debt demanded, and approved by any one of the commissioners under his hand and seal, shall be a substitute for bail.

7th. When the court directs money to be paid, they may award execution against body or goods, except bed, bedding, wearing apparel, tools of a trade and beasts of the plough, and necessary instruments of husbandry, but only against the body in case of residents, on good ground shewn to the court, by affidavit other than of the party interested, to apprehend a secretion of the goods, or open resistance by force, to avoid the execution.

8th. If the court shall see cause to order the debt to be recovered by instalments, and there be a default of the first payment, execution may run for the whole debt and costs: The whole of the instalments not to exceed three months.

9th. Every execution shall separately express the sum adjudged for the debt,. and the sum for the costs, and upon payment before execution executed (by distress and sale of the goods of the defendant) it shall be superseded, and the party and his effects discharged; and between the judgment and execution, and also between the execution and sale, eight days shall intervene, and that such sale be after public advertisement put up in the clerk's office, and such execution shall have the articles of the costs inscribed thereon.

10th. The clerk shall keep a book, and therein minute the transactions of the court in the regular order of time; substantially but succinctly, shewing the acts of the court in every cause; and shall preserve the process, pleadings, and all writings, that come into his office in proper files, that the court may be able to exemplify and report any case of the same when thereunto required.

11th. The same seal shall be used for all the proceedings of the court, and kept by the clerk.

12th. The clerk shall give free access at all times for inspecting the minutes and files in his office, to the judges of the court of common pleas or either of them desiring the same, and once a year transmit a certified copy of the minutes to the chief justice of the province for the time being, that there may be regularity and uniformity in the dispensation of justice in all the courts, until the legislature shall have made other provisions suitable to their special cases and condition.

13th. No execution is to issue upon a judgment for more than two pounds of debt, unless the parties before trial had openly consented to the hearing, before the court of requests. Causes above that sum, and under ten pounds, where such previous consent was not had and entered in the minutes, being to await the coming and judgment of one of the judges of the common pleas in their usual circuits.

FOURTH

Respecting the fees to be taken in the said court, they are to be agreeable to the following table, a fair and legible copy whereof (with a translation into French) is to be constantly hanging up in some conspicuous part of the said court.

APPENDIX D.

COMPLETION OF THE CALENDAR OF THE NEILSON PAPERS, BEGUN IN THE REPORT FOR 1913.

Fragment of a statement by George Long on the price of funds. 1824.

Andrew Stuart to Neilson. A long, nearly illegible letter, treating in a gossipy way of various matters, domestic and foreign. Nice, 12 Dec., 1824 and 14 Feby, 1825.

Charles Laurier to Neilson. (In French). Asking his assistance to procure a patent for an invention called Loch-terrestre. Lachenaie. 3rd Jany. 1825.

P. Bedard to John Neilson. (In French). He learns that the time seems opportune to arrange that the judges shall retire from Council, and that they may have their commissions during good conduct; and that it is very probable that the judges would agree if they were assured of an increase of salary. The amount should be liberal, to place the judges on a footing of independence. Trois Rivières. 16 Jany. 1825.

Benjamin Workman to Neilson. Much interest being aroused in questions relating to settlement of waste lands, by enquiries of committee. Is glad to believe from Neilson's statement that, in the discussion of the bill to afford relief against tenants and lessees, he will oppose any attempts to oppress the tenants *en roture*. Encloses a petition, for which he asks Neilson's support. Montreal. 20th Jany, 1825.

Hart Logan to Neilson. Respecting the four Indian chiefs, who visited London to present their grievances to Government. London. 4th Feby. 1825.

Bedard to Neilson. (In French). Regrets to hear that the Assembly is to pass a judicature act, establishing inferior jurisdictions. This will lead to lack of uniformity, which will not be corrected by courts of appeal, whether one or more than one. Trois Rivières, 6th March, 1825.

Quebec, 7th March, 1825. John Yarmouth to the Magistrates for the city and district of Quebec. Applying for a tavern licence at Cap Rouge.

Quebec, 8th March, 1825. D. B. Viger to Neilson. (In French). In answer to a letter of Neilson's. Deals at some length with the proceedings in a disputed election case before the Assembly (for the county of Hampshire). Regrets Neilson's absence, on account of the bills for the Civil Government expenditure and for the adminstration of justice.

Quebec, 10th March, 1825. D. B. Viger to Neilson. (In French). Regrets to say that Mr. Vallières has made a motion that the committee dealing with the request of Mr. Willing should report next day. Notes the tendency towards jobbing in the Assembly. The session is advanced, members are few, and intrigue has its opportunity.

Quebec, 15th March, 1825. Sir Francis Burton to Neilson. Asking Neilson to call upon him.

Ste. Foy, 18th March, 1825. Churchwardens and Inhabitants of Parish of Ste Foy to J. Neilson and others. (In French). Montreal, 26th March, 1825. D. B. Viger to Neilson. (In French). He arrived home the day before. The letter contains besides much purely personal matter, some general reflections on the conduct of parliamentary business.

Montreal, 29th March, 1825. C. F. Grece to Neilson. Sending a petition from the Farmers' Club to the Lieutenant Governor which he asks Neilson to present. This Club was formed on account of the inactivity of the Agricultural Society.

Three Rivers, 7th April, 1825. James Knowlan to Neilson. Asking if Neilson could let him have a paper containing the arguments before the King's Bench in the case of Spratt, on the subject of Register of Marriages. Hopes to have an improvement in the present law next session.

Trois Rivières, 17th April, 1825. Bedard to Neilson. (In French). Private matters. Is desirous to have news of the proceedings of the Legislature, particularly regarding the Civil List. Hears well of the Lieutenant Governor. Wishes to know Neilson's opinion as to the intellectual qualities of the latter, as to which he has had different views.

London, 28th April, 1825. J. Butterworth to Neilson. Has received Neilson's letter by the four Indian Chiefs, whose affairs have occupied him. Criticizes Lord Bathurst's views on the Indian claims. Will reply to his Lordship when he has the benefit of Andrew Stuart's assistance, which he hopes will be shortly. Mr. Irving Brock, brother of Sir Isaac's has shown the chiefs much kindness, taking them among other places to Windsor where they were kindly received by the King, who presented each with a splendid gold medallion.

of last session, though they seemed to give general satisfaction. Glad to see the votes of Assembly respected so far. Fears this may not continue, and that it may be necessary to punish the transgressors by resolves as usual.

J. Ready to Neilson. Respecting a request for information as to the lands granted to the late Hugh Finlay. Congratulates him on happy termination of the political differences in Canada and sends regards to Mr. Papineau and other Quebec friends. Charlottetown, 17th May, 1825.

D. B. Viger to Neilson. (In French). Complains of non-arrival of answer to letters. Snow is still to be seen in St. Charles. Lord Dalhousie will probably be out in September, and it is said he comes with great plans from the ministers to be carried into effect, including an examination of military affairs in the colonies. Viger doubts wisdom of choice. Lieutenant Governor continues to give satisfaction, particularly by a late militia order. Montreal, 21st May, 1825.

Charles Laurier to Neilson. (In French). Awaiting appearance of notice of his patent. Describes it as an invention for numbering the movements of instruments to which it is attached. It is applicable to coaches to show the distance they have gone; to mills to indicate the quantity of grain they have ground &c &c. Lachenaie, 25th May, 1825.

J. Butterworth to Lord Bathurst (Copy). Further respecting the Indian claims. Andrew Stuart, who was chairman of the committee of the Assembly which investigated the claims, and who is in London, has prepared a memorandum which he encloses. Bedford Square, 11th July, 1825.

Bedard to Neilson. (In French). Personal matters. He hears the Governor is returning to Canada, and anticipates wrangling. Gathers from the diversities of practices in administration, that the governors have considerable latitude in interpreting their instructions, as he presumes the instructions are the same for all. The Governor is more liked by the officials than the Lieutenant Governor. They do not say that the latter disregards his instructions but that he lacks ability. He supposes the Assembly will cling firmly to all the power given to them by the Constitution. Although the Executive believes it can dispense with the Assembly; it should be grateful to the Assembly, as it keeps the Executive on the alert. He hears the Government in England have agreed to make Canadian judges independent, and to withdraw them from the Council, if the Assembly will assure them a retiring allowance equal, as in England, to two thirds of their salary. Trois Rivières, 20th July, 1825.

Andrew Stuart to Neilson. Acknowledging *Quebec Gazettes,* and a pamphlet on provincial finances. Doubts expediency of proposition to impeach Lord Dalhousie. Details the treatment of the Indian Chiefs in England, and the reception given to the claims in the Colonial Office. London, 23rd July, 1825.

J. Butterworth to Neilson. Regarding the Indian Chiefs and their claims. The desirability of providing for the education of Indians. In South America much is being done towards moral and intellectual cultivation. In Bogota, a society is formed with the sanction of the authorities, for the circulation of the Bible without note or comment. London, 27th July, 1825.

J. Butterworth to Neilson. Mr. Stuart is to draw up the case of the Indians for the opinion of the law officers. The chiefs sailed for home the evening before. They have been kindly treated in London, and Lord Bathurst has given them a parting gift of £25 each. London, 2nd August, 1825.

Charles Laurier to Neilson. (In French). Enquiring as to the cause of the delay in announcing his patent in the *Gazette.* Lachenaie, 8th August, 1825.

Trois Rivières, 11th August, 1825. Bedard to Neilson. (In French). Some reflections on the government of colonies, in which he maintains the thesis of Montesquieu that the colonies of an absolute monarchy are better governed than those under a constitutional government, owing to the employment of influence in the latter case.

Montreal, 15th August 1825. D. B. Viger to Neilson. (In French). Thanks him for some observations on the Speaker. There will be no serious opposition to an address to the Lieutenant Governor. Wants to know what Quebecers think about the matter. Alludes to intrigues of the Government to set one section of the country against another. Asks if Neilson knows as to the return of Lord Dalhousie.

Quebec, 15th August, 1825. P. Gingras Jr. to the Magistrates of the District of Quebec. (In French). Applying for a licence for the Cap Rouge Hotel.

Montreal, 13th Sept., 1825. D. B. Viger to Neilson. (In French). Expresses much satisfaction that matters go so well with the address to the Lieutenant Governor. In Montreal, every body is eager to sign it—the judges and the merchants—all except Mr. Richardson and a half dozen or so partisans of Lord Dalhousie. Although circumstances have prevented their seeking signatures as widely as they could wish, it is very pleasing to see the gratitude to the Lieutenant Governor manifested by the signers.

He wonders what the magistrates in Quebec mean by endeavoring to procure an address to Lord Dalhousie, and hopes they will not succeed.

The address to the Lieutenant Governor will be carried to Quebec by delegates in a few days. Mr. Leslie will represent the eastern district. He himself has been proposed as a delegate, but he will avoid the duty if possible, as he dislikes that sort of prominence.

Montreal, 24th Septr., 1825. D. B. Viger to Neilson. (In French). Transmitting some additional sheets of signatures to the Lieutenant Governor, to whom he sends his own respects. Has observed a mischievous note in the *Canadian Spectator,* regarding the address to the Governor, which he regrets, as people are apt to fancy he or some of his friends inspired it which is not the case.

Quebec, 1st Oct., 1825. Nicholas Vincent and other Indian Chiefs. A receipt for £120 currency, paid on order of J. Butterworth, M.P.

Quebec, 5th Oct., 1825. Neilson to J. Butterworth (Draft). The Indian Chiefs have arrived, and are exceedingly grateful for the courtesies they have received in England. He explains sympathetically the situation and hardships of the Indians in America since the advent of the Europeans. Was greatly mortified at the suggestion in Mr. Horton's letter that he and Mr. Papineau had encouraged the Indians to make that useless journey, and he states the course he pursued in relation to their determination to press their claims.

Montreal, 5th Oct., 1825. D. B. Viger to Neilson. (In French). Asks whether additional signatures to address to Lieutenant Governor were received. Denounces the scribblers, who flatter the Governor and depreciate the country. It is said the Governor is withdrawing from certain errors into which he had fallen. Hopes this is true. The Governor could do easily all that within reason he may desire, if he wished to remain attached to the principle of the Government and of the Constitution.

Montreal, 12th Oct., 1825. D. B. Viger to Neilson. (In French). Again enquiring regarding sheets containing additional signatures to address to Lieutenant Governor. Since the Lieutenant Governor has departed, the old calumnies against the country have re-arisen, in order to flatter the Governor. Respecting those in Montreal who signed the address. Referring to the letters of *Senex,* he thinks the writers of that class do themselves injustice when they leave the

Rev. C. F. Painchaud to Neilson. (In French). A personal allusion. Congratulates him on his notes on *Senex*. Ste. Anne, 16th Oct., 1825.

Henry O'Hara to Neilson. Asking that, in case the vote for the assistance of the Agricultural Society of Gaspé be sanctioned by the Government, Neilson may secure the money and expend it for the purposes of the society. **New Carlisle.** 27th Oct., 1825.

D. B. Viger to Neilson. (In French). Expressing his disgust with the sentiments of *Senex,* an anonymous newspaper writer. Hears rumours of an effort to establish regiments in that district. Thinks that the anti-Canadian faction may persuade the Governor to authorize the regiments, in the hope that it will arouse the opposition of the Canadians and so brand them as unwilling to assist any of the schemes of Government. Instances the course pursued regarding the registry offices, which under the circumstances of the province could not be done without grave injustices, and where there has never been the least idea of establishing the administration of justice on principle analogous to those of government. "When one has worked all his life with the ardour I have to nourish in his compatriots the sentiments of respect and sincere attachment with which he is imbued for the British Government, he has difficulty in resisting a feeling of grief in seeing those, who by their situation should more than any others labour to make them respected and cherish the constitution by the wisdom of their administration, play such a role!" Montreal, 10th Novr, 1825.

D. B. Viger to Neilson. (In French). Thanks for information given and services rendered. Comments slightingly on nominations to the Legislative and Executive Councils. Notices *Senex, Vindex* &c with reprobation. The Governor's decision not to pay the salaries refused by the Assembly pleases him. The battle of the local newspapers. Montreal, 22nd Novr, 1825.

Bedard to Neilson. (In French). Personal matters. He hears that the Law Officers of the Crown have been consulted regarding the appropriation of the funds raised by the 14th Geo. III; and that they have given it as their opinion that this is a matter with which the Assembly have nothing to do. He asks why, in that case, the Executive should not confine their demands on the Legislature to the sum required to make the difference between the total amount required, and the amount collected under the act cited. Trois Rivières, 30th Nov., 1825.

J. M. Mondelet to Neilson. (In French). Advising as to some necessary corrections in the *Quebec Almanac*. Montreal, 17 Decr, 1825.

D. B. Viger to Neilson. (In French). Personal matters. Some acrid comments on the expected return of the Governor. Observations on the proposition to acquire the Crown Lands in Lower Canada, which he does not object to, except on the ground that it is part of the general system of intrigue. Indignation among the factionnaires at the remarks of the *Quebec Gazette* on the Imperial Bill respecting the tenures in Lower Canada. Montreal, 1825.

Draft of an address from the citizens of the city and district of Quebec to the Lieutenant Governor on the occasion of his making a visit to England. (In Neilson's handwriting). 1825.

Draft of a memorandum addressed by Neilson to Sir Francis Burton, transmitting an extract from a letter written by a gentleman in a distant part of the province. After an observation on the writer of the letter, 1825.

Neilson goes on in the following terms: "Unless His Majesty's Government can detach themselves from that system of interfering too much with the affairs of the colony upon partial representations under the operation of which the old colonies were lost things will undoubtedly before long be brought to the same point in the remaining North American Colonies. Nothing that they can do for the colonies would be half so agreeable as removing restrictions and letting them alone to settle their own affairs, No other system will give general satisfaction; but, on the contrary, prove an incessant source of irritation and alarm."

Census Return for the Townships in Lower Canada in 1826.

Montreal, 5th Jany, 1826. D. B. Viger to Neilson. (In French). Good wishes for New Year. He is uneasy about the approaching session. In Montreal there is a class of politician, whose blindness, prejudices and hatreds are invincible. He inclines to think that in Quebec men of the same class do not exhibit the same degree of low passion, whatever they may feel.

Montreal, 11th Jany, 1826. J. M. Mondelet to Neilson. (In French). Thanks for courtesies. Asks for copy of Bill for the prevention of fire in Montreal. This Bill is his. It was introduced by Papineau on the 20th Decr. 1823, and after amendments in both chambers was passed by them. Orders a *Quebec Almanac*. Thanks for article on the probabilities of the approaching session. Wishes steps could be taken to have debates printed. People are being indulged with a hope that the Governor will adopt the financial arrangements of Sir Francis Burton. He fears bad counsels may defeat the hope.

Quebec, 12th Jany, 1826. Justin McCarthy to Neilson. (In French). Asking for payment of an account due by Judge Bedard, whose letter he encloses.

Piedmont, 16th Jany, 1826. H. Heney to Neilson. (In French). Personal affairs.

Ste Anne, 19 Jany, 1826. Rev. C. F. Painchaud to Neilson. (In French). Defending the church in a good-humored way, against some criticisms, and intimating his unwillingness to have an ecclesiastic at the head of the state. Urges Neilson to take up the case of education in the province and prepare a bill on the subject.

Quebec, 19th Jany, 1826. James George to Neilson. Advising him of a meeting of the St. L. A.

Trois Rivières, 29th Jany, 1826. Bedard to Neilson. (In French). Congratulating him that the Civil List question has been settled, and concluding that the proceedings of the last session were not disapproved by the British Government; also, making some comments, in the form of an imaginary dialogue, on the situation.

Montreal, 4th Feby. 1826. Austin Cuvillier to Neilson. Doubts whether he will attend to the Assembly during the approaching session—urgent private business and disappointment in the results of last session being the cause. The Attorney General seems to gain in favour with Neilson. Cuvillier of opinion that his abuse of the House and province should not be forgotten. The questions of the Union of the provinces, and of the independence of the judges observed upon *en passant*. Difficulties arising from immutable customs duties.

Quebec, 7th Feby, 1826. James George to Neilson. Respecting the St. L. petition, in which he suggests the calling of a committee to decide whether the institution is worthy of support.

Pierre Gauthier and a number of others to the representatives of the county of Hampshire. (In French). A petition setting forth the wish of a large number of habitants to settle on the seigniory of de la Gorgandiere, but that they were prevented by the excessive demands made by the proprietor of the lands. Deschambault, 15th Feby, 1826.

The petitioners point out the very low rates asked in earlier times, as compared with those required by the existing proprietor; and the disadvantages in other ways, the petitioners would suffer from as compared with the conditions enjoyed by their ancestors.

Inviting attention to a petition which he encloses from a large number of people who desire to settle on the seigniory of Mr. de la Gorgandiere, but are deterred from doing so by the high rates, at which Mr. Gorgandiere holds the lands desired. Deschambault, 26th Feby, 1826.

D. B. Viger to Neilson. (In French). Discusses an address of the Governor respecting the Civil Government expenditure. Enquiring as to the sale of a pamphlet entitled *Analyse.* Would wish to see the preface which contains the essential points of the pamphlet, printed in the *Gazette.* Owing to breaking through the ice, several members on their way home were precipitated into the water. Trois Rivières, 17th May, 1826. Bedard to Neilson. (In French). Stating that he has been informed by the Governor that no objection will be made to his having leave of absence, if he can make arrangements with any of the other judges, which will not involve the government in any expense; and telling of the steps he has taken to secure a *locum tenens*.

Ramsgate, 17th May, 1826. Sir Francis Burton to Neilson. (Most private and confidential.) Neilson will perhaps be surprised to find that the original despatch of the copy Burton encloses arrived at Quebec after Burton's departure for Europe, it having been addressed to him, it was opened in his absence by Mr. Daly and was placed by the latter in the possession of Mr. Cochrane on or before the 31st January. Consequently it cannot be doubted that its contents were made known to Lord Dalhousie long previous to the 14th March. Burton cannot understand how His Lordship could reconcile it to himself or to the province to send to the Provincial Parliament, the despatch of the 4th June, which became waste paper after the receipt of the one of the 30th September. Burton considers that he has been treated shamefully by the Governor. Burton expresses his admiration for Neilson's uprightness of character. He asks that the facts communicated be kept confidential, as he has appealed to Lord Bathurst for redress.

Burton notes that the Secretary of State does not, in his despatch of the 30th Septr. condemn the Bill but merely expresses his regret with respect to the measure adopted by Burton, to the single point of the latter having carried into effect an arrangement of so delicate and important a nature, without previous direct communications to His Majesty's Government. Lord Dalhousie has done himself much deserved harm, and Burton does not believe that the Governor will stay long in the province.

London, May, 1826. Sir Francis Burton to Neilson. (Most private). Requests Neilson on no account to show any person the copy of the despatch of the 30th Septr. 1825 which Sir Francis sent Neilson. Lord Bathurst has promised to see justice done him and he might be offended if it were known that he had written to Lord Dalhousie about the matter.

Trois Rivières, 28th May, 1826. Bedard to Neilson. (In French). Explains delay in writing. Finds last session most interesting on account of the information laid before Legislature. Gathers from Bathurst's letters that the Government are of opinion that no increase can be made to the Civil List, the funds for which are appropriated (rightly or wrongly) without the consent of the Legislature—which appears to him a great point gained. Asks for information respecting late Act of Imperial Parliament. The contention of the Legislature that the Act of 18 Geo. III is a recognition and declaration of a principle is well founded. It cannot be objected that the Act of the 14th Geo. III has not been revoked, since there is no general revocation clause. The Act of the 14th Geo. III could not be revoked at that time, as Quebec has no constitution, since it seems clear that the principle of the 18th Geo. III. was only applicable to colonies which had representative assemblies. This explains the fact that, as soon as an Assembly was established in Canada Lord Dorchester's message was laid before it.

Trois Rivières, 11th June, 1826. Bedard to Neilson. (In French). Personal matters. Agrees with Neilson that the Ministers are going contrary to the principle of the 18th Geo. III. There is nothing to fear from Canada but it would be fine for the Government to show that, as in England, it is not influenced by such a motive. Does not believe that Parliament would act as the Ministry does; and cannot see why Ministers should not be as regardful of the honour as of the interest of the Government.

SESSIONAL PAPER No. 29a

D. B. Viger to Neilson. (In French). Explains his long silence. Discussing the appointment of a King's Printer for Montreal, he is of opinion that without this support, the paper would fail. Viger thinks of a trip, and asks Neilson his plans. Administration of justice faulty—great delays owing to lack of proper judges. Montreal, 21st June, 1826.

D. B. Viger to Neilson. (In French). Fears a misunderstanding between them, as the result of what Neilson has said. Hopes they may continue to act in concert. He was not in Montreal when the resolutions of the 9th were adopted. Scheme was on foot to set him aside. The Governor's brother is in Montreal, and has been holding conferences with Mr. Gale. It is rumoured that a deputation will be appointed to defend the Governor. Mr. Gale is said to be in charge of the mission. Has seen Papineau, who has a scheme on hand. Montreal, 28th June 1826.

L. J. Papineau to Neilson. (In French). Praises for the work done by Neilson in the Assembly and in his newspaper, to prevent maladministration. Invites Neilson to visit him at his country place. Encloses some papers he wishes sent to Sir F. Burton. Is greatly depressed at the condition of public affairs in the province. He wishes to know what the judges are doing with reference to increases of salary; what the new appointment of Mr. Percival means; speaks of the extortions of the latter as collector of customs; believes it impossible for the Governor and Burton to remain together in Canada; has an ill opinion of Mr. Wilmot Horton, of whose vanity and passionateness he speaks; speaking of the disorders in Upper Canada, he declares that the condition of that province is worse than is to be found in either England or Lower Canada. Montreal, 26th June, 1826.

Neilson to Burton (this is evident, though Burton's name does not appear on the sheet which is merely a fragment of a draft). Forwarding a letter and various documents from the Speaker of the Assembly; acknowledges a note of 17th May; deplores the fact that the British Government seems to have identified itself in some measure with the enemies of the province. "It was thus that the quarrel between the old colonies and the mother country begun and was supported. We are weak: Great Britain has nothing to fear from our strength. She has to fear only from her own injustice and the violation of the principles of her constitution." Quebec, 30th June, 1826.

D. B. Viger to Neilson. (In French). Complains he is unable to meet Neilson's demand that he sent him some facts. Proceeds to give some. Business conditions in Montreal very bad: great number of failures, and, he hears, worse coming. Chief Justice Sewell's departure for England has excited speculation, and fears of new intrigues, owing to the facility with which the British Government lend themselves to the views of the administration in Canada. Some wish again, a reunion of the provinces; and easier financial conditions. Montreal, 7th July, 1826.

D. B. Viger to Neilson. (In French). Personal affairs entirely. Montreal, 31st July, 1826.

D. B. Viger to Neilson. (In French). Has spent a few days at Isle Bizard, of which he gives some description. Is mystified at the conduct of the Ministry respecting the Governor and Sir Francis (Burton), with their censures and their approbations. One would suppose that the safety of the empire depended on some few miserable thousand pounds, of which the Ministry claim the disposal, although they have never before thought of getting light from Canada, at least from those who desire to play a role in the country. For all the actions of the local administration and the communications to be found in the legislative journals, proclaim an admission of the rights of the Legislature to dispose of the provincial Montreal, 28th August 1826.

Montreal, 31st August, 1826. J. Viger to Neilson. (In French). Sends the letter by Dr. Labrie, to ask for numbers of the *British American Register* to complete his set and for certain information.

Trois Rivières, 2nd Septr, 1826. Charles Mondelet to Neilson. (In French). A matter of private business.

Three Rivers, 3rd Septr, 1826. C. R. Ogden to Neilson. Has heard that a letter written by Neilson to some one in Three Rivers accusing him of being a defaulter has been circulating throughout the town with the evident intention of injuring Ogden as a candidate in Three Rivers; declares the charge to be false, and calls on Neilson to disavow it, knowing it to be without foundation.

London, 7th Septr, 1826. Sir Francis Burton to Neilson. (Private). Thanks for letters from Neilson and Papineau. Is convinced of the justness of their observations. Explains that he marks his political letters private to prevent misrepresentations through publication. He cannot take any further steps regarding the period of his administration without being considered a party man. Is deeply interested in the welfare of Canada. The Chief Justice is returning to Canada. Sir Francis is ignorant as to what he has obtained.

Quebec, 7th Septr, 1826. Dalhousie to James Harkness, D.D. (Copy). Enclosing a copy of a letter from the Colonial Secretary, in which the latter expresses his regret that lack of funds prevents him from recommending the payment of salaries to ministers of the Church of Scotland.

Kingston, 20th Septr, 1826. Rev. James Knowlan to Neilson. Conveying thanks of the Wesleyan Methodist Societies for his support of their rights and privileges during the late session.

Montreal, 23rd Septr, 1826. D. B. Viger to Neilson. (In French). Some condemnatory comments on an election which had just taken place in Trois Rivieres. Speculation on the course of the Governor, and his probable resignation. Michael Logan to Neilson. Drawing his attention to a scheme for establishing marine signals or self acting bomb batteries on points, where ordinarily lighthouses would be used on the St. Lawrence and of the establishment of a marine or reporting spire buoy, on the angle of the Traverse; and asking for a subscription for the construction of works. — Bermondsey, 29th April, 1828.

George White to Neilson. Requesting his attendance on the Canada Committee on the Saturday following. — House of Commons, 26th June, 1828.

Ramsgate, 26th June, 1828. Sir Francis Burton to Neilson. Nothing is to be done this session about Canada, but it will be taken into consideration next session, if at all.

Malvern, Friday, July, 1828. P. Burnet to Neilson. A private business matter. Congratulates him on the report of the committee. It will serve as a foundation from which to proceed. Unionists in London have no clear idea of what is wanted. There is likely to be much difficulty when Government commences to operate practically on the report.

9th July, 1828. A list of subscribers to Dr. Labrie's work.

15th July, 1828. J. Dowie to . Respecting the interpretation to be applied to an act of Parliament, affecting the importation of Colonial produce, or of produce originating in the United States and brought into Canada.

Malvern, 21st July, 1828. P. Burnet to Neilson. A private business matter. Hopes the Canadians will be moderate in their demands, as anything like graspingness will defeat their ends. The Union petition seems to have fallen flat.

23rd July, 1828. Memorandum concerning the claims of certain Christian Indians residing near Quebec.

8 Suffolk St., 29th July, 1828. T. Hyde Villiers to Neilson. Sending certain evidence to which he desired to refer. Will call on Neilson on his return to town.

31st July, 1828. Document containing the terms of settlement made between Pierre Chasseur and his creditors.

St. John, N.B 8th August, 1828. W. Reynolds to Neilson & Cowan. Business affairs. Business very dull. Not more than half the usual number of ships to load during the spring season.

St. Hyacinthe, 17th Septr., 1828. F. Boutillier to Neilson. (In French). Asks his aid in procuring the situation, now vacant, of French translator for the House of Assembly. Is greatly pleased by the report of the committee of the British House of Commons on Canadian affairs.

General Post Office, Quebec, 19th Septr., 1828. T. A. Stayner to Neilson & Cowan. On a complaint that many of the copies of the *Quebec Gazette,* addressed to points on the route between Quebec and Three Rivers do not reach those to whom the papers are addressed. Stayner says there are only two post offices between the points mentioned; and the couriers to whom the papers are entrusted cannot read, hence the difficulty of effecting a proper delivery. He proposes to have the papers delivered at the several places, where the couriers usually stop; the subscribers can then go for them. If a better plan occurs to the publishers, he would be glad to give it a trial.

Montreal, 30th Septr., 1828. L. J. Papineau to Neilson. (In French). Reproaches Neilson gently for his scruples about making public at the time, the evidence taken before the Canada Committee. The ban of silence imposed properly while the committee was sitting was surely not intended to last after they had risen. Neilson's mission had a great success, but as the execution of the views of the Committee will be left to the administration, there are still chances of failure. Instances case of Sir John Sherbrooke and the impeachment of the judges. Sir James Kempt is being induced to inform the Assembly that it is of the Government's liberality that the Assembly are to be permitted to control the proceeds from the 14th Geo. III, thus shutting off discussion of past abuses. Mr. Stephen's opinion against the provincial administration is being suppressed, though a number in Canada have copies. Things cannot be allowed to settle down too quietly as the result of the recommendations of the Committee. There must be heat for a time in consequence of past injustices, otherwise their opponents

would think their activity was exhausted. Newspapers are still aided by the Government though their tone is immoderate. He inclines to belief that the Governor will fail unless he takes advice from those having the confidence of the country, and is strongly of opinion that the Governor should consult freely with Neilson.

H. C. Thomson to Neilson. Asking to be informed, if Neilson knows, how many of the British colonies have agents in England, how they are appointed, and the amounts they are paid. Kingston, 6th Oct., 1828.

Ant. Fillion to Governor Kempt. (In French). Representing that, without cause, he has been superseded in the command of the Vaudreuil Division of Militia by Lord Dalhousie, and demanding an investigation. Montreal, 18th Oct., 1828.

J. Neilson to , introducing Stanislas Koska, chief of the council of Christian Indians settled at Lorette. Quebec, 20th Oct., 1828.

J. B. Moraud to Neilson. (In French). Respecting his standing, he being an alien. Speaks of the extreme poverty of the district in which he lives. Lotbiniere, 24th Oct., 1828.

L. J. Papineau to Neilson. (In French). He hears, but scarcely believes, that Sir James Kempt has arrived without either commission or instructions. If so, it means that the situation will remain as bad as it was before, and the work of the Committee will have been in vain. If the Government will not admit that the things the Assembly are asking for are inherent rights, belonging to the Canadians as British subjects, then those rights must be insisted on, and not abated one iota. These rights are not conceded, but are recognized, by the Committee. Papineau has come upon a pamphlet written in defence of Dalhousie's administration. It was to have been published, but the Report of the Committee has changed that intention. The pamphlet, he learns was written by Mr. Cochran, under the eye of his Lordship. The pamphlet is entitled *Observations on the Petitions of Grievances addressed to the Imperial Parliament from the Districts of Quebec, Montreal and Three Rivers.* It is full of falsities, of which he gives examples. Messrs. Vanfelson and Herriott are in Montreal trying to settle the speakership difficulty. He is giving them no help. He blames the Chief Justice and the old clique for all that is going on. Montreal, 25th Oct., 1828.

P. Bedard to Neilson. (In French). Professional matters, and plans for the retirement of judges. Politicians inform him that Mr. Papineau cannot be admitted by the Governor, not on account of his difference with Lord Dalhousie, but on account of the resolutions proposed by Mr. Cuvillier in the Assembly the preceding session, which cannot be accepted without a violation of constitutional forms. It is said Papineau will be sick and unable to attend, at the opening of the Assembly. This will give an opportunity to arrange the matter. Compliments Neilson on his influence in the Assembly. Trois Rivières, 26th Oct., 1828.

W. Hamilton Merritt to Neilson. On the subject of ship navigation from Upper Canada to the Atlantic by the St. Lawrence. If Lower Canada will not give Upper Canada Montreal, he hopes they will assist Upper Canada in its efforts to reach the ocean. Encloses the sketch of a petition to be presented to the Legislatures of both provinces for the incorporation of a company to make a canal from Prescott to the Province Line and from the Province Line to the navigable part of the St. Lawrence. Asks Neilson's co-operation in getting the petition signed. St. Catherines, 10th Nov., 1828.

L. J. Papineau to Neilson. (In French). Informing him that on the Thursday previous Mr. Vallières had a conversation with the new Gov- Montreal, 13th Novr., 1828.

ernor, in which the Speakership was mentioned. The Governor came out with instructions to prorogue the Legislature from time to time until he should receive directions how to proceed, but as he had observed that the law required the assembling of the Legislature every year, he considered it his duty to obey that law. He was yet without instructions but as soon as they were received he would communicate them to Mr. Papineau and other leaders. The Governor was not disposed to make much of the difficulty regarding the Speakership. He had personally no objection to Papineau. Papineau wonders whether, unconsciously, Vallières had not been employed to find out Papineau's sentiments. Mr. Debartzch goes to Quebec, so full of goodwill, but Papineau fears that he is doomed to disappointment through the intrigues and illwill of his colleagues. Papineau insists that the Governor should have seen Neilson, who was received in England as the representative of 87000 heads of families. He rather mistrusts the Governor, when the latter says that the obligation to call the Legislature was a recent discovery. He does not quite like the first measures of the Governor in issuing warrants for the judges' circuits. It is governing by expediency and not by law.

Montreal, 24th Novr., 1828. W. Walker to Neilson. Suggesting certain amendments in the Patent Law, 4th Geo. IV. c. 25, so as to give the benefit of it to first introducers of an invention as well as to the inventors, and to include foreigners as well as British subjects.

Quebec, 26th Novr., 1828. C. Yorke to Neilson. His Excellency has no objection to the House proceeding as it sees fit, on the petition of Pierre Chasseur of Quebec for pecuniary assistance to enable him to increase the collection he has made of the subjects of natural history.

York, 27th Novr., 1828. W. L. Mackenzie to Neilson. Expected Neilson would have visited York on his way home. They had decided to give him a dinner in recognition of his services in England. He has written three or four times to Samuel Neilson, but has had only one reply. Several of the liberal members in Upper Canada would desire closer intimacy with members of the same order of ideas in Lower Canada. Much benefit might result from exchange of public documents, and other matter. Asks Neilson whether the interests of both colonies would not be better served by one agent in London for both. His own election in York, evidence of unpopularity of administration of late Lieutenant Governor. He is hopeful of good from Sir John Colborne's administration, who, he judges, will "pursue popular and friendly measures." "Some of us think it would be well for the legislature at its meeting to assert that principle so long in use in Britain, which, though it does not dictate to the sovereign (or his representative here) the ministry he must choose, yet informs him that a change of confidential advisers is thought needful, and that such change, as will induce parliament to repose with confidence in the integrity of the successors." Hopes Lower Canada will assert a similar principle. All the efforts of parliament may be frustrated by a vicious Executive Council. With Dr. Strachan and his scholars in the management of the revenues, no good could be expected from any parliament that could be assembled. Instances the management of the Welland Canal. Asks for a copy of the report of the Canada Committee. Sir John Colborne is in frequent communication with Sir James Kempt, and Mackenzie hopes they will decide upon measures to allay the popular discontents. The *Colonial Advocate* has the largest circulation in the colony, and he would gladly resign its

control, if he could find any person capable of conducting it on liberal principles, and maintaining its influence.

A. N. Morin to Neilson. (In French). Asking his influence in furtherance of Mr. Morin's application of an appointment on the translating staff of the House of Assembly. Montreal, 29th Novr., 1828.

P. Bedard to Neilson. Respecting his petition of retirement with a pension. Trois Rivières, 30 Novr., 1828.

Wm. Meiklejohn to Neilson. Recommending that the law for the inspection of timber when re-enacted may have its provisions made more stringent, as to culling and inspecting. He is head of the board who deal with the applications for licenses. Quebec, 1st Decr., 1828.

Sir James Kempt to Neilson. Thanking him for the opportunity of perusing certain books and papers. Neilson's memorandum on the Lorette claims has been referred to the Attorney General for report. Castle of St. Lewis, 1st Decr., 1828.

J. Hale to Neilson. Respecting the currency. Foreign coins are all overrated, with the consequence of the exclusion of the more perfect coins of Great Britain. He suggests the abolition of the Halifax currency, and the removal from circulation of the old half crowns and pistareens. As the French crowns are in a fair state of preservation, he would not recommend their withdrawal. Quebec, 1st Decr., 1828.

Col. Yorke to Neilson. Has submitted to His Excellency the representations of the inhabitants of St. Roch, St. Jean and St. Louis respecting the measures lately taken to enforce the payment of the *Lods et Ventes*. The Governor has no knowledge on this subject, and is making enquiries. Castle of St. Lewis, 4th Decr., 1828.

Resolutions to be submitted to the committee of the whole of the House of Assembly, respecting the Message of the Administrator of the Government dated the 28th Novr. (In French). (These resolutions appear in the Journals of the Assembly, of the 6th Decr. 1828). Quebec, 5th Decr., 1828.

Col. C. Yorke to Neilson. His Excellency has had under consideration two petitions, and has no objection to the Assembly proceeding upon them as it sees fit. Castle of St. Lewis, 5th Decr., 1828.

J. Neilson to Col. Yorke. Acknowledging letter of 5th instant, containing His Excellency's reply to the petition from St. Roch, St. Jean and St. Louis, and has transmitted it with the report of the Inspector General of the King's Domain to the committee of the petitioners. Quebec, 6th Decr., 1828.

Colonel Yorke to Neilson. Acknowledging the receipt of a note returning the report of the Inspector of the King's Domain on the petition from the suburbs. Tuesday, 9th Decr., 1828.

L. Dumont to Neilson. On the subject of the Bill for small debts. St. Eustache, 10th Decr., 1828.

W. Hamilton Merritt to Neilson. Gathers from Neilson's letter that the Legislature of Lower Canada would not that year be prepared to consider any measure for the improvement of the navigation of the St. Lawrence. Discusses the question of relative expense of navigation on the river and on a canal, maintaining that the latter is the cheaper. Gives some information asked for by Neilson respecting the Welland Canal. St. Catherines, 13th Decr., 1828.

Col. C. Yorke to Neilson. The Administrator has no objection to Neilson's presenting to the Assembly, to be proceeded upon as to that body seems meet, the petition of Benjamin Ecuyer to be paid the amount of a judgment obtained by him against the commissioners by whose directions he surveyed and traced out the Kennebec Road. Castle of St. Lewis, 15th Decr., 1828.

Berthier, 15th Decr., 1828. Augustus Wolff to Sir James Kempt. Praying for a continuance of his allowance as a retired school master.

Hatley, 18th Decr., 1828. Wm. Ritchie to Neilson. (Private). Observing that a Bill has been passed in the Legislative Council, for establishing a registry office, he states that he and his professional confreres would welcome such an office, but they would hope that the business of drawing up deeds, should be restricted to those, who have served a regular clerkship therein. He doubts the respectability of the man, who professes to be the accredited agent of the people. The Townships want a good deal, but first of all a fair representation.

Castle of St. Lewis, 19th Decr., 1828. Col. C. Yorke to Neilson. He presented to His Excellency the paper handed to him by Neilson, respecting the revival of the old Militia Ordinances; and in return hands Neilson a copy of the opinion of the Attorney General on the same subject. If there is any correspondence on the subject, (and His Excellency is unaware of any) His Excellency would be glad of any information Neilson has regarding it; and would consider the propriety of laying it before the Committee.

Chateau St. Louis, 19th Decr., 1828. Colonel Yorke to Bedard. Respecting the petition of the latter, for a pension, and explaining the circumstances attending the preparation of the Commission for Bedard as judge.

Castle of St. Lewis, 19th Decr., 1828. Colonel C. Yorke to Neilson. His Excellency has no objection to the Assembly receiving and taking such action as to them seems fit upon, the petition of Judge Bedard for a retired salary, in case his health should make it necessary to resign.

Quebec, 22nd Decr., 1828. Hon. John Richardson and C. W. Grant late Commissioners of the Lachine Canal to Neilson. Condemning the evidence given by Neilson before the Canada Committee on the Lachine Canal, giving many details of comparison between that and the Erie Canal; and calling upon Neilson to retract his evidence, as they intend to discuss and expose it publicly.

Castle of St. Lewis, 22nd Decr., 1828. Colonel C. Yorke to Neilson. His Excellency has no objection to the presentation to the Assembly of the petition of Augustus Wolff, or to its being dealt with, as the Assembly judges fit.

Tuesday, 23 Decr., 1828. Colonel C. Yorke to Neilson. Acknowledging receipt of the petitions submitted to His Excellency for the purpose of obtaining His Excellency's sanction to their being presented to the Assembly. Points out an informality in the presentation of one of the petitions, which he asks Neilson to have remedied.

St. Nicolas, 23rd Decr., 1828. Rev. M. Dufresne to S. Neilson. (In French). Subscribing to the *Quebec Gazette*. He is dropping the *Mercury,* which has disgusted him. An account of a fire in his parish.

Quebec, 23rd Decr., 1828. Draft of a reply in Neilson's handwriting, to the letter from the late Lachine Canal Commissioners. He deprecates ascribing to him intentions he never entertained, and drawing inferences which the evidence would not justify.

Castle of St. Lewis, 24th Decr., 1828. Colonel C. Yorke to Neilson. His Excellency having before him a petition from the merchants and traders of Quebec praying for legislative aid to defray the expense incurred by them in sending a commercial agent to England, has no objection to the same being presented to the Assembly, and to their proceeding upon it as they deem fit.

Castle of St. Lewis, 24th Decr., 1828. Colonel C. Yorke to Neilson. Respecting a petition from the Trustees of the Quebec Library for legislative aid. No objection. Usual reply.

SESSIONAL PAPER No. 29a

P. Bedard to Neilson. (In French). Question of precedence in the courts of Lower Canada. Trois-Rivières, 25th Decr., 1828.

T. Osgood to Neilson. Asking his influence in passing legislation, which will stimulate the inhabitants in the destitute parts of the country to build schoolhouses and support elementary schools. Many districts destitute of schools will not apply to the Royal Institution for aid, as in many cases, after the house is built and deeded to the Royal Institute, it is liable to be shut against the man, whom those who built it would desire to occupy it. He draws up the sort of act he would wish to see passed. There is an impression that the benefits of the Royal Institute are largely confined to the children of the well-to-do. Montreal, 26th Decr., 1828.

Colonel C. Yorke to Neilson. Respecting a petition from merchants and others of Quebec praying for legislative aid for a road along the river from the Lower Town to Sillery. No objection. Usual answer. Castle of St. Lewis, 26th Decr., 1828.

Colonel C. Yorke to Neilson. Respecting a petition from the Trustees at South Pillar would be sufficient for the time.
poor of the church. No objection. Usual answer. Castle of St. Lewis, 26th Decr., 1828.

J. Lambly to Neilson. The estimated cost of the new lighthouses would be £18,000. Two houses—one at Point des Monts, and the other at South-Pillar would be sufficient for the time. Quebec, 27th Decr., 1828.

E. A. Clark to Neilson. Inviting the attention to the Quakers in connection with his Bill " For the relief of certain religious denominations, and for the extending to them in common with others the privilege of Registry." He points out that in the township of Farnham there is a large and flourishing settlement of Friends. He mentions that, in conforming to his mother's wish that she should be buried according to the rites of the Quakers, he had to carry her body to the United States. (In a note Neilson says "answered 5th January 1829. Yes. Register next year.") Montreal, 31st Decr., 1828.

Sir Francis Burton to Neilson. Informing him of a change of residence. Undated (Probably 1828).

P. Bedard to Neilson. (In French). Respecting his petition for pension. Trois Rivières, 6th Jany., 1829.

M. S. Bidwell to Neilson. Acknowledges a letter of the 30th Novr. Thanks him for attention, and for his frankness in communicating his sentiments on subjects interesting to the people. His letter contains a striking summary of the objects proper to insist upon. "Let us have these rights and it would be our own fault if all abuses were not speedily corrected." Bidwell has no confidence in the present ministry. A judge has been removed for wanting in subserviency to the administration, and, in spite of protests, those who defy public opinion are raised to the bench. Great Britain will concede no more than what the firmness and spirit of the people may extort from them. It is important that the two provinces act with union and concert. Bidwell agrees that each province should levy its own duties, but he fears this is impracticable. There are two modes, either to establish an office near the boundary, or to annex Montreal to Upper Canada. Both of these would be objectionable to Lower Canada. Upper Canada is under many obligations to the sister province for a prudent and wise example. Hopes that a frank correspondence may be maintained between them. York, 7th Jany., 1829.

E. A. Clark to Neilson. Sincere acknowledgments on the part of the Society of Friends for his letter. Montreal, 9th Jany., 1829.

St. Jean Port Joli, 11th Janv., 1829. Sim. Fraser to Neilson. (In French). Regrets the opposition to the bill for the summary settlement of small causes, which he regards as a very desirable measure.

York. 12tr Jany., 1829. W. L. Mackenzie to Neilson. Respecting the appointment of commissioners to treat of affairs interesting to both provinces. Hears Neilson may be appointed Provincial Agent in London; thinks it would be well to appoint him to represent both provinces. It would be desirable to get rid of Colonel Fitzgibbon as Clerk of the Assembly. Asks Neilson what are the powers of the Assembly in regard to this appointment. Asks for legislative papers.

York, 12th Janv., 1829. H. C. Thomson to Neilson & Cowan. Giving them information respecting the Provincial Legislature, and ordering the *Quebec Gazette*.

York, 19th Jany., 1829. W. L. Mackenzie to Neilson. Desires to have a copy of the report of the Canada Committee, as he has seen only extracts so far. Observes the Provincial Agent bill has not been agitated of late. The plan of commissioners for the two provinces ought to succeed, if the persons named are tolerable to the Legislative Councils. Sir John Colborne wishes to establish the Legislative Council on a more respectable footing, by adding to its members. Has read the debates in Lower Canada on the qualifications of Justices of the Peace. In England, he thinks these officials are appointed at the instance of the local members of parliament, if they are supporters of the Government. Discussing the question of where the responsibility in the Government lies, he wonders if it does not rest ultimately in the Governor, though he observes that the control of supplies is in the hands of the Assembly. It is a grievance that Mr. Peter Robinson manages the Crown Lands without control of any kind. Mackenzie thinks that their financial resolutions will with one exception pass the Upper Canada house. Asks for such Parliamentary documents as are ordered for the information of Lower Canada. "None of the British journals of Commons or Lords are to be found in our library and not one American book." Discusses the post office, doubting the desirability of a provincial establishment under existing circumstances. The Welland Canal is a scandal. He observes that in Lower Canada power is given to committees of the House to send for records. In Upper Canada this is not generally done. He wishes he knew more of the powers of the House.

Niagara, 22nd Jany., 1829. W. J. Greig to Neilson. Observing that the fees of the Vice Admiralty are likely to be discussed in Lower Canada, and knowing that these fees are exceedingly obnoxious to the mercantile body, he asks Neilson's consideration for the peculiar circumstances of Mr. Fenwick, sheriff of the court, who is entirely dependent on his fees for his maintenance.

Trois Rivières, 22nd Jany., 1829. P. Bedard to Neilson. (In French). His pension and professional matters relating thereto.

Trois Rivières, 23 Jany., 1829. P. Bedard to Neilson. (In French). Health is indifferent. Respecting his petition for a pension.

Friday, 30th Jany., Colonel C. Yorke to Mr. Neilson. As to the course to be pursued in obtaining papers from the Governor for committees of the Assembly.

Castle of St. Lewis, 31st Jany., 1829. Colonel C. Yorke to Neilson. Transmitting to him for the information of a committee of the Assembly, the petition of Lieutenant Colonel Fillion respecting his having been placed on the retired list without his request, together with the Governor's reply.

SESSIONAL PAPER No. 29a

P. Bedard to Neilson. (In French). The progress of events respecting his pension. He hears Neilson is desired as agent for the province in Great Britain, and notes that the province always turns to him when anything important is to be undertaken. Trois Rivières, 1st Feby., 1829.

W. L. Mackenzie to Neilson. The joint resolutions of the two Houses of Lower Canada were agreed to by both Houses in Upper Canada, and it has also been resolved that three commissioners shall be appointed by Upper Canada to meet the commissioners from Lower Canada. This information is given privately, so that, in case the legislative sittings in Lower Canada shall be prorogued within a short time, the necessary bill may be brought in, in time. The contested election of the Attorney General hinders business. He will undoubtedly go out, but much time is taken up by the proceedings under the Grenville Act, which has been adopted in Upper Canada. The Lower Canada mode by commissioners is far better adapted to a young colony. The proceedings of the Governor and Assembly show the absurdity of the colonial system, which is insurmountable. All colonial governments are necessarily imperfect. He regrets the British Government continues to refuse the independence of the judges. York, 31st Jany., 1829.

W. W. Baldwin to Neilson. After seeing Neilson's letter to Mackenzie, and at his suggestion, Baldwin writes on the subject of those particular public interests affecting both provinces. On the subject of the joint resolutions of the Lower Canada Legislature, there is a difference of opinion among them in Upper Canada. Baldwin attributed the origin of those resolutions to that part of Sir James Kempt's message, informing the Assembly that His Majesty's Government does not desire to perpetuate the present mode of settling financial questions between the two provinces, if the Legislatures would adopt a more satisfactory mode. Others seem to think Lower Canada's object is simply the imposition of new duties and the apportionment of the proceeds to improvement of communication. In Baldwin's view, the important thing is the restoration of the financial affairs to the Legislature, to which they pertain. The fair offer of His Majesty's Government, should not be treated with indifference. His bill was prepared on this view. He made the scope of the commission's duties extensive. Their report will be dealt with by the Houses. Upper Canada, House of Assembly, 14th Feby., 1829.

P. Bedard to Neilson. (In French). Respecting the Bill regarding the Judge at Trois Rivières. His health better. Is gratified at the way he was spoken of in the Assembly. Trois Rivières, 11th Feby., 1829.

W. L. Mackenzie to Neilson. Is anxious to maintain correspondence with Neilson. Is satisfied Neilson's views as given to the Canada Committee are in general correct. Encloses a series of resolutions, originating partly with Neilson, partly with other people, to elicit from the Assembly a general expression of opinion upon matters, for the guidance of the Home Government. He is prepared to accept Neilson's statement as to the goodwill of the British Government towards the colonies, but late events cast some doubt upon Sir John Colborne and Sir George Murray. Respecting the security in which the Register General is held, and the means for safeguarding financial balances. No progress is made regarding Agency Bill in Lower Canada. He hears Neilson is to be made Provincial Agent. Observes Neilson is opposed to provincial union. Many in Upper Canada would favour it. The machine of government does not work well. Colonial representations are disregarded in England. Uneasiness in Upper Canada over attempt to saddle the province with debt of £57,000, and the same amount to pay War Losses. York, 14th Feby., 1829.

Quebec, 16th Feby., 1829. Draft of a letter in Neilson's handwriting, addressed apparently to Dr. W. W. Baldwin. Acknowledges letter of 4th instant enclosing copy of resolutions of the Assembly of Upper Canada agreed to by the Legislative Council on the subject of appointing commissions on the part of the two provinces to treat on matters of their common interest. Neilson's ideas as to the latitude to be allowed commissioners conform to those held by Lower Canada Assembly. Gratified by disposition of British Government to allow them to settle matters standing between them. It is desirable that the people of both provinces should be left to manage their own affairs. Description of men who should be appointed commissioners. The difficulty in bringing liberal influences to bear on the Governor. But on looking back and noting progress there is no need for despair. A bill will be brought in, naming the Lower Canada Commissioners.

Thursday, 18th Feby., 1829. Colonel C. Yorke to Neilson. That His Excellency would receive Neilson and the messengers of the House that day.

Quebec, 19th Feby., 1829. F. A. Evans to Neilson. Having been chosen as agent to represent the Eastern Townships in several matters of importance to them, he has been in Quebec for some time at his own expense, and he suggests the propriety of his being paid for his services.

Trois Rivières, 22nd Feby., 1829. P. Bedard to Neilson. (In French). Mr. Ogden has told him that if he would send a petition to His Excellency, praying him to send a message to the Assembly to have the salary and retiring allowance of the Judge at Trois Rivieres fixed, at £900 and £600 respectively, it would be done. Asks Neilson's advice.

York. 23rd Feby., 1829. H. C. Thomson to Neilson & Cowan. On receipt of their letter, the Assembly passed a resolution that they should take 200 copies of the Report of the Canada Committee.

Quebec, 2nd March, 1829. J. Oakley to Neilson. Respecting a memorial of his with regard to roads in the Eastern Townships from which he anticipates immense gains.

London, 8nd March, 1829. Henry Bliss to Neilson. Has not been able to find trace of Mr. Fraser, whom Neilson mentions. Neilson's remarks on the boundary are just. The Government has made the mistake which may well prove fatal of authorizing Mitchell's map. The Boundary question should not have been left to arbitration. The Regiments in the Provinces should have been employed in making a Military road from the Etchemin to the head of the St. Johns, to that of the Restook and on to Mor's Hill, and kept exclusive possession of it. The only question for reference is the American claims, which should have been extinguished by payment. The question is really that of the Canadas. He is doubtful how the arbitration may go. The American Government should be asked if Maine will be bound by the award, which Maine denies if it should be against her. Suggests Lower Canada protest against the usurpations of the territory

both by New Brunswick and by Maine. This may have an influence on the arbitration.

W. L. Mackenzie to Neilson. Acknowledges letter of 27th ultimo. Lower Canada, in session just closed appears to have had more benefit from its Legislature than Upper Canada is likely to derive from its Legislature. Reports loss of Upper Canada Commissioners Bill; relating what took place. Their Road Bill was also lost in Legislative Council. No bill of consequence to people passed the council. His labours, of which he gives details, very heavy. The Government too corrupt to last. He arraigns the whole system. He is from habit and education, aristocratic in his notions, but his veneration for the ancient system is declining. The peerage of Canada is an irresponsible nuisance. Has his doubts about Sir John Colborne's capacity as a Governor. Disregard for the constitution by administration. Out of 14th George III, military pensions are paid. Hopes to pay a visit to Lower Canada. Comments on defeat of Agents' Bill in Lower Canada. News has just been received from Judge and Lady Willis. York. 23rd March, 1829.

desires to leave his affairs in Neilson's hands. (Judge Bedard died a few days later.)

4th May, 1829. R. Christie ordering the discontinuance of the *Quebec Gazette*.

Montreal, 5th May, 1829. D. B. Viger to Neilson. (In French). Has just returned home. Personal matters. Gives details of the affair of Chasseur, which is not yet concluded. The judges, while maintaining the validity of the Militia ordinances, hesitate to make them the ground of decision. Tells of the movements of Papineau, Quesnel, Cuvillier, Heney and Nelson.

Quebec, 13th May, 1829. J. Stuart (Attorney General) to Colonel Yorke. (Copy). His opinion on the application of Judge Vallieres, that, in his Commission, a clause may be inserted granting him the same rank and precedence as belong to the judges of the Court of King's Bench. The Attorney General for reasons given opposes the insertion of the clause.

Quebec, 14th May, 1829. Notes by J. Neilson on the Attorney General's opinion on the claims of the Christian Indians settled at Lorette.

Castle of St. Lewis, Quebec, 14th May, 1829. Colonel C. Yorke to Justice Vallieres. Regretting that, as the Attorney General advises him that he cannot legally do so, he has it not in his power to insert the clause desired, granting to the judge of Trois Rivières the rang and precedure of the judges of the Court of King's Bench.

Montreal, 16th May, 1829. D. B. Viger to Neilson. (In French). Discusses the decision on the Militia ordinances. Suggests enquiry into the operation of these ordinances between 1729 and 1793. Discusses views of Neilson on the Governor. The doctrine that his advisers are free from responsibility, while the Governor must take on himself the whole burden of responsibility for any action he may take is often heard but it is not in keeping with constitutional views. Approves heartily of Mr. Vallieres succeeding Bedard as Judge at Trois Rivières. Sees a useful future for him if he continues to exert himself. Regrets the resolutions adopted by the notables of Kent, Richelieu and Bedford, as dictated by local rather than national interests.

Odell Town, 22nd May, 1829. James Knowlan, Chairman, and William Squire, Secretary of the meeting of the Wesleyan Missionaries conveying to Neilson their thanks for the manner in which he brought forward the Wesleyan Bill in the legislature, and to the other gentlemen in the Assembly for their liberality in unanimously passing the Bill.

Quebec, 23rd May, 1829. J. Stewart, Commissioner for the Management of the Jesuit Estates to Neilson. His Excellency has upon petition, authorized the erection of an Oat Meal Mill in Valcartier, on land granted by the former commissioners to J. Neilson and Andrew Stuart.

Hamilton Place, 28th May, 1829. H. Labouchere to Neilson. Had delayed answering Neilson's letter until he could form an opinion as to the attitude of the Government towards the Canadas. His silence and that of other friends of Canada were due to an unwillingness to embarrass the Government, whose intentions he believes to be good, and whose views are sound. In case of disappointment with the result, the whole subject of the Canadas will be brought up next session. Is anxious to learn Neilson's views of the measures of the local government. Learning that it was the intention of the Assembly to appoint him along with Neilson and Sir James Mackintosh agents for

the province, he declines as he thinks his influence would be greater if he were unconnected officially with the province. Would be glad to see Mackintosh accept. Seems inadvisable to have two agents in the House of Commons for one colony. Will inform the Speaker, when acknowledging the thanks of the Assembly.

James Cuthbert to Neilson. Asking that two political and personal friends in Jamaica may be furnished with the best pamphlets in the bookstore, giving the different views held on the financial difficulties of Lower Canada; also, a file of the *Quebec Gazettes.* Berthier, 2nd June, 1829.

L. J. Papineau to Neilson. (In French). He writes to Neilson at Trois Rivières, where the latter is looking after the affairs of the late Judge Bedard. About Bedard and his family. Urges Neilson to visit him, holding out the various attractions to be had. Regrets the appointment of Vallières as depriving the Assembly of his services. Sends his good wishes to the Kimbers and Mondelets, of whom he speaks with affection. 2nd June, 1829.

James Cuthbert to Neilson. On the same subject as the letter of the 2nd June. Berthier, 6th June, 1829.

D. B. Viger to Neilson. (In French). Is returning to Montreal that night. Hears there is important news in the English papers just arrived; asks Neilson to communicate it to him. Quebec, 29th July, 1829.

T. Hyde Villiers to Neilson. That there is some likelihood that he may be selected to act with Sir James Mackintosh and Neilson as agents for Lower Canada. Desires Neilson should hear this news from him, rather than through any other channel. It would give him great satisfaction, to receive such an appointment, if all parties should unite upon it. London, 19th August, 1829.

Colonel C. Yorke to Justice Vallieres. Sending, at the request of the latter, a copy of the opinion of the Attorney General respecting his claim to the rank and precedence of a judge of the Court of King's Bench. Castle of St. Lewis, 21st August, 1829.

L. M. R. Barbier to Neilson. (In French). Tells with some detail of the success of his academy. Points out that such institutions cannot expect continued prosperity unless primary education is more widely diffused. Gives some information as to the efforts being made to promote this class of education in his parish, and asks Neilson's assistance in procuring for the teachers of these schools, the government grant allowed under the act for the promotion of primary education. Berthier, 10th Oct., 1829.

Réné Kimber to Neilson. (In French). The Constitutional Committee of the District of Trois Rivières, after discussion of public affairs, desire the opinion of Neilson and of the principal members of the Quebec Committee, on those subjects. The matter under consideration is: the general attitude of the Ministry in England towards the representations of Lower Canada, which make it necessary for the province to strengthen itself by constitutional means. To that end, subscriptions should be sought for the carrying out of those purposes. In this way, and by the activity of the Committees in watching over the interests of the country, the Ministers Trois Rivières, 16th Octr., 1829.

will be convinced that those are wrong who maintain that the country is perfectly satisfied.

Quebec, 21st Octr., 1829. Colonel C. Yorke to A. Fillion. (Copy). Acknowledges communication in which Mr. Fillion states that he had been deprived of his commission as Lieutenant Colonel, without an opportunity of learning the charges against him, and asking for an investigation. The Administrator states in reply that the fact that the events related took place under a former administration precludes him from enquiring into the case, (he having adopted a rule of conduct to that effect), but he wishes Mr. Fillion to be assured that nothing that has happened will operate to prejudice Mr. Fillion on any future occasion.

Trois Rivières, 25th Octr., 1829. Extract from the transactions of a Council held between representatives of the Hurons and of the Algonquins, at which were fixed the boundaries of the hunting grounds of the two nations. (In French).

Wednesday, 28th Octr., 1829. Col. C. Yorke to Neilson. Asking for the return to him of the opinion of the Attorney General on the claim of the Lorette Indians.

Montreal, 12th Novr., 1829. L. J. Papineau to Neilson. (In French). Personal references. Is greatly perturbed at the turn events have taken respecting the Jesuits Estates, expressing some indignation against the priests on account of the course they have pursued. The treatment of Mr. Chartier is a great indignity. Either the instructions from Downing Street are reprehensible or Sir James Kempt is the dupe of the former administration. The lack of self-respect on the part of the leaders of the people prevents the people from appreciating the advantages of liberty. Is writing on the conditions of the colony to Mr. Labouchere. Mr. Cuvillier denounces Sir James Kempt Papineau urges Neilson to cultivate Sir James. Cuvillier is angry with Neilson, Viger and himself, respecting the policy pursued regarding the Townships. Mr. Gale is distressed on account of the same matter but for opposite reasons. The order given to Mr. De Rouville an act of weakness on the part of Government destroying the action of the former Governor. Has seen Mr. Bidwell, and learns that as in Lower Canada, the sheriffs improperly control the jury lists. He has urged Bidwell to take the matter into early consideration. In both provinces the most heterogeneous elements are in legislation, and he wonders whether chaos or order will be the outcome.

Kingston, 21st Novr., 1829. M. S. Bidwell to Neilson. Enclosing some extracts from Sir Peregrine Maitland's despatches respecting the removal of Judge Willis, and asking if they could be printed in the *Quebec Gazette,* in order that they may be reproduced in Upper Canada, without their source being suspected. They were taken from a volume of papers, printed for the use of the Privy Council. He wonders what the Colonial Secretary had in mind when he had measures in contemplation which depended on information coming from the Provincial Governors. Lower Canada in its struggles against the tyrannical course of the Government, also fighting Upper Canada's battle. Hopes for cordial co-operation between the two provinces.

Quebec, 1st Decr., 1829. Draft of a letter from Neilson to a correspondent in the United States, introducing Mr. Charles Langevin. Messrs. Papineau and Davidson have just returned from "your Great City." Americans desire strongly to get Canada. Canadians do not wish change, now that Union question is settled, though they suffer from operation of British laws. Conditions in Canada do not compare favourably with those in United States.

SESSIONAL PAPER No. 29a

W. L. Mackenzie to Neilson. Refers again to the question of appointing commissioners from the Assemblies of the two provinces to consult on matters of common welfare; and states that, if Neilson thinks it practicable, he could pass a resolution in the Upper Canada Assembly to give effect to their side of the scheme. The *Advocate* continues the correspondence on the Willis case. Hopes the conference he suggests may be the forerunner of conferences embracing delegates from all the provinces. Believes plans could be evolved, which would avoid annexation with the United States, and secure the colonies against all foreign influence. He has little hopes from the action of the British Ministry. He sketches a plan for a federal government, which he believes would eliminate most of the evils and abuses of the present colonial system. While greatly admiring the Americans, he would be unwilling to join them, and become involved in their difficulties. York. 7th Decr., 1829.

Colonel C. Yorke to Mr. Justice Vallieres de St. Real. Acknowledging memorial on subject of position of judge at Three Rivers. His Excellency will readily recommend the subject to the consideration of the Legislature, as he believes that the judge of that district should be on the same footing as the judges of the Court of King's Bench. Castle of St. Lewis, Quebec, 8th Decr., 1829.

Judge Vallieres de St. Real to Neilson. (In French). He has lately presented a memoir to the Governor respecting the status of the judge of Trois Rivières. Asks Neilson's aid in getting the matter before the Legislature. Trois Rivières, 12th Decr., 1829.

Joseph Bouchette to Neilson. The success of the County Bill, which has been given the Royal assent. He has delineated the subdivision of the province into counties, with results that will please Neilson. There remains the clearer delineation of the districts, which he hopes will be done during the ensuing session by a declaratory act. Sir George will inspect his maps this week. Asks for assistance from the province. Mr. McLean the chargé d'affaires from the United States is in London, with a view of proposing the opening of West Indian ports to United States trade. This Bouchette considers prejudicial to British North American interests. Remarks on the changes in London since his last visit. British Government too occupied with the affairs of the United Kingdom, to give adequate attention to the colonies. London, 16th Decr., 1829.

L. H. Lafontaine to Neilson & Cowan. (In French). Respecting the accounts of the late Mr. Roy. Montreal, 17th Decr., 1829.

L. J. Papineau to Neilson. (In French). Governor has written him, suggesting desirability of circulating British money in Canada to avoid the loss due to the use of depreciated currency. Papineau intimated that, in view of extensive commercial relations with the United States, the currency of that country should also circulate in Canada. He inclines to think Kempt will follow closely the policy of Dalhousie. He gives in detail the transactions between Kempt and De Rouville, which in Papineau's opinion reflects unfavourably on the Governor. Speaking of MacKenzie's schemes, he thinks from a view of the attitude of the Assembly that it is uncertain whether they will support him steadily. He has grave doubts as to the practicability or even the advisability of the joint interprovincial committees proposed by MacKenzie. The Councils would be inclined to throw out measures prepared by the joint committee, and besides, after their declarations against a change in the constitution, they would have difficulty Montreal, 21st Decr., 1829.

in meeting the charge of inconsistency. On the whole he thinks that independent but sympathetic action of the two assemblies would lead to better results.

New Carlisle, 30th Decr., 1829. E. Thibaudeau, Charles Cavanagh et al. to Neilson. (In French). Inviting his attention and that of D. B. Viger to a memorial from the inhabitants of Gaspé for the redress of certain grievances, asking their support, and explaining certain points in it.

Undated. A. Stuart to J. Neilson. Enclosing a petition from Judge Bedard, with certain observations which have occurred to Mr. Stuart respecting it. Mr. Stuart inclines to think that the petition is calculated to create unnecessary obstacles. He will, however, if Judge Bedard desires it, give the petition all the support in his power.

Undated. Petition of Judge Bedard, for a retiring allowance, in case his health compels his resignation.

Undated. Mr. Dumoulin undertakes the custody of the house, appurtenances and furniture of the late Judge Bedard.

Draft of an extended obituary notice on the late Judge Bedard, in Neilson's handwriting.

Berthier, 26th Jany., 1830. Dr. L. M. R. Barbier to Neilson. (In French). Respecting his petition for aid to his schools. Admitting Neilson's objection to the forming of pernicious precedents, he distinguishes his request from those which may be so described.

Transmits copies of his petition for distribution to proper quarters by Neilson.

Asks for news regarding Mr. Donald, and the probable success of his mission. Wishes to know Neilson's opinion of Sir George Murray's Bill regarding the revenues collected under the Act of 1774. Hears that the committee of the House of Commons has set aside the evidence of Mr. Stephen on that subject. Montreal, 29th June, 1830.

Thomas Barron to Neilson. Desires to know the proper meaning of the part of the Militia Act, respecting the qualification of officers, since, as he understands the matter, several of the persons holding the position of officers in the body in his district are not qualified. Argenteuil, 30th June, 1830.

D. B. Viger to Neilson. (In French). Thanks for Laterriere's book, which he criticizes in points. Is uneasy about the Bill for the disposition of the revenue collected under the act of 1774. The position of the Governor is not enviable. He receives no support in giving effect to views, foreign to the interests of his advisers. Fortunately he is industrious and intelligent. Viger reflects on a report published at the time by a certain Andrew for his brother. (This would correspond to the Stuarts, Andrew and James). Some general reflections on the danger of having enjoyed favour, at the hand of the Government. He is annoyed at the building of roads through seigniories to facilitate clearing of land. J. Neilson to D. B. Viger. (Draft, in French.) Explaining his omission to write, he says he has been visiting the schools of the province, regarding which he gives some information. The Governor has been touring the province. Despatches to the Governor appear to be favourable to the Assembly. The conduct of James Stuart in Sorel. Petitions from Gaspé in favour of Mr. Christie, and of attaching Gaspé to New Brunswick. Believes this will not be generally supported in the county. Will the British Ministers have time to attend to Canadian affairs? "It seems Montreal, 9th Septr., 1830.

to me after all that they would do best to interfere as little as possible. What can they know with exactness of our situation?" (11th Septr.) Learns that Mr. Heney will offer himself for re-election.

General Post Office, Post Office, 1830. T. A. Stayner to Neilson & Cowan. Respecting complaints as to the delivery of the *Quebec Gazette* at Three Rivers.

Quebec, 22nd Novr., 1830. J. Neilson to H. Labouchere. (Draft). Acknowledging note of 10th June. Gratitude to Labouchere and others for support of colonial interests in parliament. This conduct necessary to restore confidence of the colonists under difficulties attending the management of their affairs in England. There was a strong feeling in favour of withholding supplies on account of the failure of the British Government to act fully on recommendations of the Canada Committee. Sir James Kempt has aided in restoring good feeling by action on Militia and Justice of the Peace Acts. Some offence taken at views of Sir James Kempt on reform of Legislative and Executive Councils, but he leaves with general goodwill. Objections to Finance Bill of British Parliament, as resembling the Bill for withdrawing the Stamp Act. Believes Government has no ground for fear that the people will not support it in all reasonable measures. But there is a class of persons, who have acted against the interests of the country, whom the Government should not support, if the maintenance of the connection between the Mother Country and the colony is desired. Disastrous effects of a decision of the Court of Appeals, under the Canada Tenures Act. Neilson sees the approach of a critical period. The Act mentioned must be repealed, if good relations are to be preserved. The Bill for the appointment of agents in England.

Montreal, 22nd Novr., 1830. D. B. Viger to Neilson. (In French.) Discussion of a decision of the Court of Appeals on land tenures, and the application of the laws of the country to lands held in free and common soccage. Mentions opinion relating to the rights of Jews.

Montreal, 20th Decr., 1830. D. B. Viger to Neilson. (In French.) A long discussion on a decision of the Court of Appeals on the subject of mortgages, the inconvenience of more than one rule of law bearing on the same matter, using as a

text some letters written over the pseudonym of *Baptiste*. The Act of 1778 respecting the rights of the subject regarding taxation, being a declaratory act, is susceptible of the widest interpretation.

Lord Aylmer to Neilson. Desires him to call at the Chateau. Castle of St. Lewis, 21st Decr., 1830.

Wm. Parker to Neilson. Enclosing an extract from a letter from Mr. Ellice, commenting on Neilson's views regarding the Canada Tenures Act. Sir James Kempt and Mr. Ellice being members of the new administration, Canadian affairs will receive more attention. Regrets the tendency which he observes in Ellice towards our neighbours. Ellice seems to believe his Beauharnois property would improve in value by such a connection and change of tenure. London. 31st Decr., 1830.

W. L. MacKenzie to Neilson. A list of the grievances from which Upper Canada suffers. Mailhots Wednesday afternoon. (Among letters endorsed 1828-1831.)

D. B. Viger to Neilson. (In French.) Personal affairs. Speculation on effect of change of Ministry in England, and fears as to the consequences of Lord Brougham's exaggerated ideas of the supremacy of parliament, and its right to legislate for the colonies. Lord Goderich the Colonial Secretary is an honest man. Montreal, 6th Jany., 1831.

L. J. Papineau to Neilson. (In French.) Lord Aylmer's good intentions are fast becoming paving stones to Hades. The general perversity of political conditions. Hopes James Stuart's ill-feeling towards the Chief Justice, which led Andrew Stuart to propose the exclusion of the former from the Legislative Council may be utilized to effect the removal of all the judges from the Council. The situation shows that Lord Dalhousie's administrative policy is still in full vigour. Leslie and Cuvillier propose to assemble the representative to consider certain resolutions. Papineau approves with reservations. Court of Appeal is a monstrosity, but exceedingly difficult to deal with, owing to number of lawyers in the Assembly. The discussion in the *Quebec Gazette* on the decision of the court of appeal, under the Tenures Act, expected to lead to demand for either the repeal of the Tenures Act, or the sanction of the provincial bill. Change of Ministry in England ground for good hopes. A similar change is much wanted in Canada. Montreal, 6th Jany., 1831.

Charles Caron to Neilson. (In French). Corruption at the previous election. Lack of respect for the provisions of the Militia Act. The roads in that district. Change desired in the grand voyer's system. Machiche, 20th Jany., 1831.

J. Neilson to L. J. Papineau. (Draft). Replying to enquiries, he says that while he would be willing to go to England and stay there for the period necessary to attend to the affairs of the province, he could not engage to remain away from Canada for so long a period as two years. Quebec, 31st Jany., 1831.

Sir James Kempt to Neilson. (Private). The delay in transmission of Neilson's letter may lead to a satisfactory communication respecting the Reserved Bill, not reaching Quebec before the middle of April. Has been in communication with Lord Goderich, whom he found very well inclined towards Canada, and disposed to avoid unnecessary interference in her affairs. The Reserved Act, however, declared by law officers to be repugnant to a British Statute. The removal of the difficulty will require action by London, 1st Feby., 1831.

Parliament. New Ministry all equally liberal in their views towards Canada. He has not been able to trace the existence of cross currents, such as Neilson alludes to, and he is satisfied from his own experience that the Executive Council has not so many sins to answer for, as many persons in the province are disposed to attribute to them.

Castle of St. Lewis, 5th Feby., 1831. Lieutenant Colonel Glegg to Neilson. Castle of St. Lewis, 9th Feby., 1831. Lieutenant Colonel Glegg to Neilson. His Excellency has no objection to the Assembly receiving and acting as they see fit, upon a petition for aid to the Society of Education for Berthier.

London, 10th Feby., 1831. H. Labouchere to Neilson. (Private.) Colonial Office shows disposition to deal in a satisfactory way with Canadian affairs. Discussing Agents' Bill, the Government has no objection to an appointment, but thinks the Legislative Council should have a voice. It might be well for each house to have its representative. But in that case the composition of the Council should be improved. It would perhaps be better that the agent should not be a member of the British Parliament. A Canadian might be best.

Castle of St. Lewis, 11th Feby., 1831. Lieutenant Colonel Glegg to Neilson. His Excellency has no objection to the Assembly receiving and acting as it sees fit, upon an application of John Jeffreys, Keeper of the Gaol for an increase of salary.

Assembly prorogues 9th March. Mackenzie goes to Quebec, and, if possible, afterwards to England. Religious petition of 10 or 12 thousand ready. Expenditure on Welland Canal interfering with

improvements on St. Lawrence. Agrees with Neilson as to doubtful wisdom of young country undertaking expensive public works on credit. Events in Europe must have their effect in Canada. People of Upper Canada manly and independent, but scheme of Government makes an independent Assembly nearly impossible.

Captain F. Archambault and two others to Neilson. (In French.) Inviting his consideration to the difficulties in obtaining government aid to two schools, one in St. Roch village, the other on the concession called Ruisseaux St. Jean, parish St. Roch. St. Roch, 21st Feby., 1831.

W. L. Mackenzie to Neilson. Bad state of roads, which he describes prevented him from reaching Quebec in time for prorogation. If Upper Canada can second the purposes of Viger's mission, in any way, they will cheerfully do it. Impossibility of effecting anything valuable with the Legislature constituted as it is. Cornwall, 2nd April, 1831.

W. L. Mackenzie to Neilson. Has seen Mr. Papineau and is pleased with him. State of the representation in Upper Canada, and general political conditions worse than in Lower Canada. Anxious to see Viger and Neilson. Begins to despair of the colonial system ever being amended so as to preserve the connection between the colonies and the motherland, and to enable the colonies to furnish a fair field for men of talent and patriotism. Fears the extension of the bank monopoly. Montreal, 9th April, 1831.

Memorandum in Neilson's handwriting on the relations between Great Britain and the Colonies. (In a note at the bottom it is stated "copied by Mr. M. Upper Canada"). Quebec, May, 1831.

certain legal decision. Financial and other arrangements for a lengthened stay in England.

Three Rivers, 4th May, 1831. H. Heney to Neilson. (In French.) Observes that the Parish Bill has passed, but that the *Quebec Gazette* notes that it has been returned too late to be valid. Contests this view, holding that this Bill is of the class dealt with in clause 42 of the Constitutional Act, not clause 32, and he is of opinion that all the conditions required by clause 42 have been complied with.

Montreal, 9th May, 1831. D. B. Viger to Neilson. (In French.) Discussing the preparations for his departure.

London, 6th July, 1831. D. B. Viger to Neilson. (In French). Has little to impart. Had not seen the Colonial Secretary, or had an opportunity to discuss Canadian questions with any of the notabilities. Finally had very satisfactory interview with Colonial Secretary, of which he gives details. Canada Finance Bill has been re-introduced into House of Commons and will probably pass. Has had two interviews with Mr. Labouchere who appears to understand the situation in Canada, and who wishes to present the Lower Canada petitions to Parliament. Account of the interviews. Viger rather nervous about the responsibilities resting on him. Contended with Mr. Labouchere for the propriety of the suspension of James Stuart from Attorney Generalship. Difficulty about getting Canadian books and papers. Movements of Mr. Bedard. Viger's doubts as to whether he should prolong his stay in England. His official finances. Members whom he should see all occupied with the Reform Bill. Has pleasant and, he hopes, profit-

able communications with Mr. Ryerson, Mr. Bliss and Mr. Blanchard, the two latter are from the Maritime provinces.

D. B. Viger to Neilson. (In French.) Intrigues in favour of James Stuart. Viger has submitted a defence of the course taken by the province, in a memorandum, which he thinks has shaken the Minister in the conclusions towards which he tended. Details of the arguments he employed with the Minister. Has spoken to several persons of consequence, pointing out the impossibility of the Government of England interfering efficaciously in Canadian affairs. Several persons he has seen. Lord Goderich appears to him to be animated by a sense of justice, but too much occupied. There is accompanying this a memorandum of the wishes of the Lorette Indians. London, 6th July, 1831.

Limits of the school districts in the parish of Rivière Ouelle. Rivière Ouelle, 26th July, 1831.

As good results would have been obtained on the North Shore, if it were not for the several land monopolies. Viger's activities in London. Profitable returns from Lachine Canal. Funds should be distributed to every county for the establishment of courts. Financial prospects of the Chambly Canal. Is going to visit Quebec. Montreal, 20th August, 1831.

D. B. Viger to Neilson. (In French). Reform Bill centre of attention. The coronation, a new source of embarrassment. He works constantly on his reply to James Stuart's plea, which he discusses at some length; also the expulsion of Robert Christie from the Assembly, which he distinguishes from that of Wilkes. Canada Finance Bill before the House of Lords. Has seen Sir Francis Burton. Viger fears he may be detained some time longer in England. London, 6th Septr., 1831.

D. B. Viger to Neilson. (In French, private). Canada Finance Bill has just passed the House of Lords. Much intriguing in the Stuart case. Inaccuracy of reporting debates on Canada Revenue Bill. London, 6th Octr., 1831. D. B. Viger to Neilson. (In French). Has sent Papineau a copy of some observations he made in a memorandum to the Colonial Secretary respecting education and the granting of land; also, another letter on general affairs in Canada. Viger is occupied entirely with the Stuart case. He showed the Minister and Labouchere a statement prepared by Neilson. Asks for a letter of credit. The Reform Bill before the Lords. It absorbs public attention. He has received a couple of letters from MacKenzie in consequence of meetings held in Canada. Suggests a hint to Upper Canada that some moderation should be observed, which would not be inconsistent with firmness and energy. Lord Goderich appears to be a man of merit. Viger is more and more convinced that the Government of England cannot occupy itself with Canadian affairs without going astray at every step.

Quebec, 8th Octr., 1831. A letter "To the Editor" denouncing the Act respecting Physic and Surgery as granting a monopoly. It is signed *No Monopoly* and in John Neilson's handwriting.

Montreal, 20th Octr., 1831. L. J. Papineau to Neilson. (In French). Containing a copy of a letter from D. B. Viger, which the latter wished to be communicated to Neilson. It is an account of the defence of James Stuart against the charges of the Assembly. It is indispensable to have some one on the spot, who knows Canadian conditions, but even with that advantage, the British Government have great difficulty in coming to decisions. Comments on James Stuart's allegations. The Governor complains to Papineau of the tardiness of the official communications. Viger's early return improbable.

Montreal, 25th Octr., 1831. L. J. Papineau to Neilson. (In French). Possibility of Mr. Christie being allowed to take his seat. Gossip about Sir James Kempt, James Stuart, and Lord Aylmer. Stuart's memoir of his defence should be published, in Papineau's opinion. He discusses the means of doing this, without disclosing the source of the memoir. The publication should have the effect of bringing Lord Aylmer and the Assembly together. Suggestion as to the form the Waller memorial should take.

Hull on the Ottawa, 30th Octr., 1831. P. Wright to Neilson. Has just returned from New England. He is pleased with the Standing Committees of last Session, and hopes they may be continued. Owing to inability to speak French, he was unable to properly represent the wishes of his county, which furnishes half the exports to the Quebec market. Thanks for attentions.

and asks that Neilson undertake the task, it being understood that Neilson is not pledged to support the claim.

D. B. Viger to Neilson. (In French.) Account of interview with Lord Goderich. Is pleased with His Lordship's frankness, but has gathered nothing definite as to his views respecting Mr. Stuart. Is much encouraged by expressions of Lord Goderich, on grievances. Arbitration of Boundary dispute. Province will probably have control over granting of lands. Goderich vexed at not knowing Legislature was meeting at once. Province must not expect too much at once. They discussed court of impeachments and emigration. Assembly should conduct itself with prudence, to make Viger's visit of utility. He fears intrigues, but much admires Lord Goderich. Garneau, who is there, living very quietly. He is sending a copy of a letter he is writing to Lord Goderich of which Neilson may make what use he pleases. London, 22nd Novr., 1831.

D. B. Viger to Neilson. (In French.) As Lord Goderich is frequently out of town, it is sometimes difficult to see him. Will deliver observations to Stuart's reply to first and third reports of the Assembly. Neilson may make what use he pleases of this letter. Viger expects the old school politicians are intriguing against Lord Aylmer. Of the small number who have seen the charges against Stuart, there is no one who does not consider them very grave, and fully proven. Stuart's reply has no support in constitutional doctrine. He wonders if these papers have been laid before the Assembly as he desired. London, 29th Decr., 1831.

Lord Aylmer to Neilson. Requesting him to call upon His Lordship. Chateau St. Louis, 5th Jany., 1832.

London, 21st Jany., 1832. D. B. Viger to Neilson. (In French). Discusses at length the question of permitting augmentations of rent of lands held under the seigniorial system. He is convinced that these augmentations are contrary to the laws and jurisprudence of the country, both before the conquest and since that epoch. He is vexed at the proceedings of the clergy respecting a Bill "to restore uniformity in the meetings of the Fabriques and to declare what persons had the right to participate therein in certain cases." He has not seen Lord Goderich for a long time.

London, 14th Feby., 1832. D. B. Viger to Neilson. (In French). Makes enquiries as to what is going on in Canada. Has a few words on the reform of the Courts, a subject on which he feels deeply. Continues to send instalments of his observations on Mr. Stuart's reply to Colonial Office. The Colonial Secretary appears satisfied with his progress.

London, 22nd Feby., 1832. D. B. Viger to Neilson. (In French). Receives neither letters nor papers from Neilson. Is very busy on Stuart's reply, which is full of chicanery and inaccuracy. Regrets manifestations at that moment of hostility to the Legislative Council. Hopes Neilson and Papineau exchange his letters to them. Is annoyed at seeing published a statement from him that Stuart has gone to the Continent. It was only a rumour. Has sent further instalments of his observations to the Colonial Office. Remarks on the system of local subsidies for bridges &c.

Stanstead, 22nd Feby., 1832. M. Child to Neilson. Asking for reports of the Assembly upon education. Explains his reason for not seeking re-election.

Castle of St. Lewis, 24th Feby., 1832. Lord Aylmer to Neilson. (Private). Thanks for his remarks on the Emigrants Tax Bill, with which he agrees. Although he fears the parties concerned in the United Kingdom will not have due warning of the measure, he intends in view of all considerations to give Royal Assent to the Bill.

SESSIONAL PAPER No. 29a

D. B. Viger to Neilson. (In French). Gets little information of course of events in Canada. Is anxious for news. Is puzzled to know the source of report that Mr. Stuart is to be restored to office. Mr. Stuart is still in London. Viger expects his observations to the Colonial Office to be criticized in Canada for their length. Is satisfied, however, that they are no longer than the case required. Well informed persons in London who have had access to his observations, agree with him that he has met Mr. Stuart's reply at every point. London, 6th March, 1832.

D. B. Viger to Neilson. (In French). Introducing Mr. Wm. Street, who is going to Upper Canada to settle with his family. London, 17th March, 1832.

D. B. Viger to Neilson. (In French). Has had no news from Neilson, since a letter written the 1st December. Is pleased with report of Neilson's speech in the *Montreal Gazette,* respecting the expenses of the agent of the province. Hears Mr. Stuart is going to the Continent. Stuart is in close association with the commercial people in London, who favour the petty ministry of Lower Canada. Viger's friends are convinced Stuart will not be restored—the case against him is too clear and too serious. Has noticed from the financial statement of the Jesuits Estates that the revenues have seriously dilapidated. Complains that he receives little or no assistance from Canada, in handling the responsibilities thrust upon him. London, 22nd March, 1832.

A. Turgeon to Neilson. (In French.) Asking for information respecting the new School Bill. St. Gervois, 5th April, 1832.

Rev. J. Demers to Neilson. (In French.) Urging him to accept the appointment to the Executive Council. Believes their friend in Montreal would have no objection to being called to the same position. Within six months he would have the majority of the Council with him. Quebec, 8th April, 1832.

J. Neilson to Rev. J. Demers. (Draft, in French). Replying to his letter, Neilson repeats his reasons for declining the appointment to the Executive Council. Quebec, 10th April, 1832.

A. Turgeon to Neilson. (In French.) Respecting a teacher for one of the schools. St Gervois, 20th April, 1832.

D. B. Viger to Neilson. (In French.) Complains bitterly of Neilson's silence. Has had only two letters from him since his arrival in London. Asks Neilson's opinion on his observations on Stuart's reply. Regrets his absorption in this matter to the exclusion of others of importance. Extreme difficulty of giving the ministers just ideas of conditions in the colonies. Intrigues of Attorney General or of his entourage. Enquires as to whereabouts of Mr. Bedard who was on the Continent, when he last heard from him. London, 28th April, 1832.

H. Craig to Neilson. As Thomas Wilson Gage has resigned the chairmanship of the Board of Health, the Governor wishes to know whether Neilson as next senior magistrate would take the office. (Neilson refuses as his residence is in Ste. Foye.) Castle of St. Lewis, 5th May, 1832.

A letter, in French, signed *L. P.,* relating the details of the riot in connection with the election in West Montreal, apparently intended for the *Quebec Gazette.* Montreal, 26th May, 1832.

Trois Rivières, 31st May, 1832. H. Heney to Neilson. (In French.) Enclosing for his inspection, copy of an Election Bill, which he has had in mind. He had just finished a commentary on the Constitutional Act.

Trois Rivières, 1st June, 1832. H. Heney to Neilson. (In French.) Sending his Commentaries on the Constitutional Act, and acknowledging Neilson's views as to the advisability of their being printed.

London, 6th June, 1832. D. B. Viger to Neilson. (In French.) Still complains of Neilson's failure to write. Has had infinite trouble with Stuart's case. Convinced he would have succeeded entirely, if it were not for the intrigues. Is endeavouring to bring the intriguers into the open. Lord Howick is under their influence. He told Viger that he thought Stuart was badly treated and that he was misunderstood. He likened Stuart's case to Barrington's. Viger declared that there was no analogy between the two cases, but a real analogy could be found in the case of Melville or Warren Hastings. Howick cannot have read Viger's observations. English statesmen are too much occupied with their own affairs, and are apt to be victims of misplaced confidence. He is more and more impressed with the impossibility of ministers interfering with advantage in the internal affairs of the Colonies. He intimated as much in a letter to Lord Goderich. W. L. MacKenzie is in London and in high spirits. He is a man of great activity and most laborious.

6th June, 1832. L. J. Papineau to Neilson & Cowan. (In French.) Complaining of incidents connected with the West Montreal Election Riot.

Montreal, 23rd June, 1832. L. J. Papineau to Nelson & Cowan. (In French.) Complaining of the excessive slowness of their work as printers for the Assembly.

Expressing surprise at the formality of Neilson's reply to his letters, and asking again his real opinion as to the advisability of publishing the commentaries. St. Vallier, 14th August, 1832. T. Roy to Neilson. (In French.) School matters in his district.

London, 22nd August, 1832. D. B. Viger to Neilson. (In French.) Has received Neilson's letter of the 4th July, and is greatly afflicted by the news it brings. The information it contains is of great utility, as the intriguers are very busy. Lord Goderich is greatly to be esteemed, but is easily deceived. If the Governor on the spot is misled, how much more certainly the Colonial Secretary

will be. The land company has rushed to the defence of Stuart; and a newspaper campaign is being directed against the dominant race in Lower Canada. Discusses the West Montreal Election Riot, giving the version of the facts that he has gathered from the information that has reached him.

H. Craig to Clerks of the Peace. Asking for report on the question of indulgence to certain prisoners. Castle of St. Lewis, 25th August, 1832.

D. B. Viger to Neilson. (In French.) Speaking of the Land Company, he observed that they were seeking a charter, and had gone to Lord Goderich to protest against the granting of such an instrument as the effect of the company's operations will be to increase the price of land to the settler. He fears it is a scheme of Mr. Ellice's, who wishes to dispose of his lands to the company. He believes the charter will be granted. Draws attention to articles in English papers on Canadian affairs. He urges an inquiry in the Assembly on the events connected with the Montreal Election Riot. London, 30th August, 1832.

1833. Judge Vallieres de St. Real to Neilson. Submitting a draft of a bill for allowing resident judges to have a remedy against other members of the public and vice versa; also, urging that the town and banlieue of Three Rivers be put under the administration of Magistrates, as Montreal and Quebec are.

London, 30th Jany., 1833. D. B. Viger to Neilson. (In French). Has just received a letter of the 19th Novr. Enlarges on the pleasure these letters give him; and on the assistance they are to him in his duties. Speaking of the difficulties of ministers, he mentions a subject noticed in several letters—the necessity of ministers leaving matters in the hands of subordinates, who frequently lead them astray, often, be it admitted, in perfectly good faith, as they themselves do not understand conditions in the colonies. Relates an incident in which Mr. MacKenzie was told by Lord Howick that the petitions brought over by him, were signed by a fewer number of people, than the petitions for the Government. It was an error, due to a subordinate. He elaborates on the number of means, by which intriguers are able to mislead the Government.

London, 14th Feby., 1833. D. B. Viger to Neilson. (In French). Acknowledges letter of 29th December. Dilates on the difficulties he has to overcome. Notes the appointment of Mr. Ogden to replace Mr. Stuart as Attorney General, fears he will not develop into a satisfactory official. Laments the proceedings in the Montreal Riot affair, and the mode of choosing the grand jury in the case. Montreal people he has seen, of both parties, are disgusted with the state of things. His representations to the Government made before all the facts were known to him, have proved to be entirely correct.

Montreal, 30th March, 1833. J. Ryan to Neilson. Enclosing an extract from the minutes of a general meeting of the Montreal Steam Tow Company, containing a resolution dismissing Mr. Ryan from their service as agent, on account of his incompetency to take an oath.

D. B. Viger to Neilson. (In French.) Acknowledges letter of the 18th April. Speaking of the state of mind in Great Britain, he said he was becoming more indulgent towards the errors of his compatriots, which may be attributed to lack of experience, when he sees men of knowledge and science agitated by passion and prejudice. London, 22nd Novr., 1833. — D. B. Viger to Neilson. (In French). Acknowledges letter of 10th October. Has had a couple of interviews with Mr. Stanley and left a memorandum with him, but is doubtful whether Mr. Stanley will find the opportunity to read the memorandum. As regards the Legislative Council, he formerly opposed those who desired to change the mode of nomination, but he is convinced now that a change is necessary, as the Council as composed is utterly out of touch with the desires and interests of the country. He used to believe that it was only in Canada, an isolated country, where enlightenment has not made as much progress as in Europe, that it was possible to mislead public men so far. In England, enlightened men are not free from that danger. It is not from lack of talent, but they so often want the time. They are in a whirlwind of affairs, in which they are dragged about.

27th Novr., 1833. — Report of a visit to one of the elementary schools in the parish of Beauport.

Quebec. 28th Novr., 1834. — H. Craig to Neilson. His Excellency has followed Neilson's advice as to the means of obtaining information regarding the distress due to crop failure. Asks Neilson to call and see the papers. No relief has been asked for except in one case specified.

York, 30th Novr., 1833. — W. L. Mackenzie to Editor of *Quebec Gazette*. Sending an extract from the *Advocate* respecting his case. There is to be an election, and he is very confident. Notes comparative absence of comment on his expulsion, attributing this to the Christie affair. Thinks *Gazette* may be wrong in its views as to one of the parties.

Lotbiniere, 21st March, 1834. — G. Joly to Neilson. (In French.) Stating that one of the members for that constituency is retiring, and asking Neilson to consider the question of running in that constituency. There would be many influences in his favour.

St. Antoine, 24th March, 1834. — Rev. L. Raby to Neilson. (In French.) Believes Neilson will be returned for his own county, but the district of Lotbiniere would certainly elect him. The priests would work for him.

Cap Rouge, 29th March, 1834. — Rough draft of letter from Neilson to G. Joly in reply to the latter's letter of the 21st of that month. Thanks for appreciation of his course. Mr. Joly knows better than most, how many advantages there are to be conserved. Sudden changes in the Constitution should not be risked. He has not decided to stand, but if he does it will be in his own county.

Cap Rouge, 31st March, 1834. — Draft (in French) of a letter from Neilson to the Rev. L. Raby (his name is not on the letter, but there is scarcely a doubt that the letter was to him), acknowledging and thanking him for his letter of the 24th of the month. Since the passion for attacking the institutions of the country has seized some members, he can no longer act with many with whom he used to be associated. The labour of years will be lost.

Montreal, 23rd March, 1835. — D. Mondelet to Neilson. (In French). Is pleased with Neilson's appointment as agent to England, as Lord Aberdeen's despatches, as published, show a total misapprehension of conditions, which is taken advantage of by the enemies of the Government, and which it will be Neilson's business to correct. The union scheme which is favoured by Lord Aberdeen will lead to independence. He fears for the French Canadians, when they become a minority. The report on the prisons is very faultily printed.

and Legislative Councils. The Bill for securing the independence of the judges should be enacted.

On the Steamer "Canada" between Quebec and Montreal, 18th Novr., 1835. W. L. Mackenzie to Neilson. Was in Quebec three weeks without seeking out Neilson. "So much for politics." Has been looking for ulterior views of French Canadians; admits some uncertainty. Neilson's motives for changing his course attributed in Upper Canada to personal pique. Course of *Gazette* confirms this idea. He would be unalterably opposed to French Canadian state or republic controlling the St. Lawrence. The means by which conditions could be improved—free trade &c. Lower Canadian leaders supported because they seemed worthy of it. The Commission does not offer much ground for hope. He himself incapable of moderating spirit of party. "I am hot and fiery and age has not yet tempered as much as I could wish my political conduct and opinions." Thinks Neilson might be a moderating influence. Mrs. Mackenzie's goodwill towards Neilson.

Montreal, 18th Novr., 1835. W. L. Mackenzie to Samuel Neilson. Remonstrating with him for the satire and ridicule he poured on Mackenzie on the occasion of the visit of the latter in Quebec; and urging him to use his powers to "Sweeten the cup of bitterness called local politics, leaving less gifted men like me to show the littleness of our minds by a wordy warfare, useless alike to the reader and the authors."

SESSIONAL PAPER No. 29a

Draft of letter from Neilson in reply to Mackenzie's of the 18th Novr. Mackenzie was wrong in supposing that political differences have affected Neilson's feelings towards him. Neilson is not in any way responsible for the *Gazette,* which since 1822 has been controlled by his son. Many of the articles, he disapproves of. In public affairs in Lower Canada his aim has been to secure a condition, in which due influence should be exercised to prevent wrongdoing on the part of the Government, and to ensure that the interests of the colonists should be consulted. This he believed had been secured. Self-government inexpedient at the time. His views on the best policy to pursue. Conditions in Canada essentially different from those in the American colonies at time of Revolution. Many things to be thankful for in the British connection. Likelihood that their descendants may suffer more risk from anarchy and popular despotism, than from power or influence from Europe. Papineau generally well intentioned but lacks self-control. Evils of rule of a majority of national origin, different from minority. He is a firm believer in toleration as basis for national wellbeing. No necessity for changes of constitution. Colonial constitutions should be founded on that of Great Britain. Good opinion of Mr. Mackenzie. — Carouge, 24th Novr. 1835.

Neilson to . (Draft.) Introducing Revd. Egerton Ryerson, who is going to England on public business. — Quebec, 30th Novr., 1835.

J. J. Girouard to Neilson. (In French.) Thanks for a copy of his report. The committee has it under consideration, and would be glad of any suggestions he may be disposed to make. — 23rd Decr., 1835.

W. L. Mackenzie to Neilson. Acknowledging a letter. Reluctant to accept compliment on his loyalty, which for reasons which he states, is less pronounced than formerly. Misgovernment indicated by slow increase of population. His reasons for preferring election to appointment, as a means of obtaining legislators. Banking system preparing way for independence as it did in the United States. Desirability of Papineau and Neilson ending their differences. Just grievances of the French Canadians. Grievances from which Upper Canada suffers from the existing system. Comments on the Constitutional Association of Montreal and Quebec. A proper system would place such men as Messrs Young, Stuart and Neilson in the councils of the Lower Canadians. Legislative Union would be without efficacy. Annexation of Montreal an improper measure, if achieved against wishes of people. — Toronto, 28th Decr., 1835.

Montreal, 11th Jany., 1836. W. Walker to Neilson. Reached Montreal previous Saturday. Had conversation with Lord Aylmer, who described Lords Melbourne and Glenelg as non-committal. Lord Aylmer dissatisfied. Walker desirous of continuing co-operation with Neilson. Much excitement among citizens of British origin in Montreal. Personal affairs.

Toronto, 22nd Feby., 1836. W. L. Mackenzie to Neilson. Glad of Neilson's views on a responsible Executive Council. Such a body would have weakened the demand for changes in constitution of Legislative Council. Messrs. Rolph, Dunn and Robert Baldwin made Executive Councillors. Happy results anticipated. He will gladly uphold British interests and feelings, if he can do so without sacrifice of principles. England must do more than merely profess goodwill. Draft of letter addressed by Neilson to Lord (Gosford), giving his views on Canadian affairs. Unpromising situation, owing to extremes to which English party are going. There must be a change: country must be governed under authority of Crown according to law. Discussion on several projects agitated: that of the Constitutional Associations viz:— that the Crown reserve the Revenues raised under 14 Geo. III, c. 88, and provide for proportional representation of population of British origin; the union of the two provinces; the annexation of Montreal and environs to Upper Canada; the union of all the British American provinces under a general congress; and the granting the colonies representatives in the British Parliament. His remedy for present conditions would be to suspend the Act establishing a Legislative Council and Assembly; enact that all temporary acts of the Provincial Legislature, then in force or which had expired since the 1st May 1832, and which the Legislature did not expressly refuse to renew, be revived and remain in force during the suspension; that the revenues be applied under the authority of the Treasury, to objects indicated by him; and that the Queen in Council be empowered to make orders for the peace, welfare and good government of the province, subject to the restrictions imposed by the Act 14 Geo. III cap. 8. Qualifications of the Governor. Suspension would probably be temporary. — Quebec, 26th Feby., 1838.

They agree as to the desirability of having each province appoint commissioners to obtain statistical information to accompany the report of the survey to be undertaken by the Imperial government.

Albany, 26th May, 1846. W. L. Mackenzie to Neilson. The reversal of his outlawry; Papineau appears to have obtained the confidence of the governor; the cessation of intimacy between Papineau and Mackenzie; has learned that he has been charged with the killing of Colonel Moodie, which he denies; if Canada should become independent, she would have to rely for protection either on Great Britain or the United States, which is controlled by the slave-owning power. Albany, 25th February, 1847. W. L. Mackenzie to Neilson. Acknowledging a letter of December 14. He expresses regret that, ignoring Neilson's advice, he went the lengths he did in 1837 and 1838. An amnesty would be a pleasant thing, but of no personal advantage, as he is too old to begin the world again. Hopes the British government, profiting from past errors, may strengthen the connection with Canada. Experience has brought disillusion as to the advantages of annexing Canada to the United States. Mentions Dr. O'Callaghan and L. J. Papineau, the latter with some bitterness. Has changed his opinion as to the value of a widely extended elective system.

St. Malo, 4th March, 1847. The Mayor of St. Malo to G. B. Faribault, President of the Quebec Literary and Historical Society. Is sending to him a painting of Jacques Cartier by M. Amiel, two copies of the country house of the explorer, and a letter respecting the third voyage made by Jacques Cartier to Canada.

Montreal, 1st April, 1847. E. L. Montizambert to Neilson. Enclosing a letter from the Rev. Mr. Chiniquy, from which it would appear that the latter had objected to the manner in which the work of translation of the Manuel had been done, and commenting on the difficulty of making a satisfactory translation for English readers.

10th April, 1847. Proceedings of a meeting of the senior justice of the peace of the parish of St. Foy, the senior officer of militia and the church to consider the application for tavern licenses for the parish.

Montreal, 2nd May, 1847. W. H. Griffin to Neilson. (Private). Explaining the arrangements by which the mails from Great Britain are conveyed to Canada through United States territory, with a view to showing the impracticability of separate mails being made up for the several towns of Canada.

New York, 24th May, 1847. W. L. Mackenzie to Neilson. The session of the Legislature of New York is closed. Mackenzie is removed to New York and is employed on the *Tribune*. As the efforts to secure him an amnesty have failed, he does not wish to embarrass the Governor General with his affairs. Robert Nelson whom he has seen would not return to Canada. He is not himself sure of his feelings on the question. His views have been greatly changed by his residence in the United States. He is much more loyal to Great Britain and less American than in 1837. Comments on the system of choosing judges by popular election.

Quebec, 25th June, 1847. Jeffrey Hale to Neilson. Asking on behalf of the Incorporated British and Canadian School Society, of which he is president that Neilson may present two petitions to the Legislative Council and give them his support.

Quebec, 7th July, 1847. Rev. Dr. Cook to Neilson. The government declines to put Quebec High School on the same footing as regards salaries as the Montreal High School, though the former fulfils the conditions at least as completely as the latter. He asks Neilson's assistance to get justice done.

Edinburgh, 17th July, 1847. R. F. Gourlay to Neilson. Has been perusing reports of proceedings in the Legislature. He gives his address. After the Assembly, which declared his imprisonment in 1819 illegal, refused to hear him in support of their own position, he could not endure to remain in Canada. He would appeal to the Home Government, but is awaiting the result of a letter from Lord Campbell to Lord Elgin.

E. Burroughs to Neilson. Deprecating the passage of a Bill, apparently designed to nullify a judgment of the Court; and asserting the regard paid by the bar to persons who are unable to pay the charges of a suit, which their interests would compel them to maintain. Quebec, 26th July, 1847.

R. Lachlan, Secretary Metcalfe Testimonial to A. Joseph, Secretary of Public Meeting, Metcalfe Testimonial, Quebec. Asking for a report of the work of the committee in Quebec. Montreal, 31st August, 1847.

J. M. Millar to *Quebec Gazette*. Calling attention to a scheme for building a dock at Hamilton, which it is anticipated will be of much benefit to Quebec, which is the eastern terminus of the Canada trade, as Hamilton is the western. Gibb's Wharf, 27th September, 1847.

E. Glackemeyer to Neilson. A judgment by the Chief Justice against the bakers has revived the ordinance of 17 Geo. III c. 10, although the latter has been formally repealed by the Act 55 Geo. III c. 5. This decision compels the bakers to give security, a point which the writer discusses. Quebec, 25th October, 1847.

E. Glackemeyer to Neilson. Giving him some information respecting the formation and dissolution of the partnership between Mr. S. Neilson and Mr. Cowan, which lasted from May 1, 1822, to May 7, 1836. 19th February, 1848.

He does not wish to be known as the translator. Gives news that Judge Hagerman is out of danger, but that Judge Macaulay was not expected to live. Montreal, 1847.

LISTE DU SERVICE CIVIL

PRINTED BY ORDER OF PARLIAMENT

OTTAWA
J. DE LABROQUERIE TACHÉ
PRINTER TO THE KING'S MOST EXCELLENT MAJESTY
1919

[No. 30—1919.]

INTRODUCTION.

The present edition of the Civil Service List is the first issued by the Civil Service Commission under the provisions of the Civil Service Act 1918. Some slight changes and additions have been made which it is believed will make the List more useful and complete. The Departments have been arranged alphabetically, the Table of Contents extended and amplified, the Index carefully revised and a tabulated summary added which will show approximately the total strength of the Service as it stood on April 1, 1918. From this it will be noted that in addition to 4,147 names in the permanent inside service and 18,593 in the permanent outside service there were at that date 6,324 temporary inside and 12,555 temporary outside employees, making a total of 41,619. To this again may be added some 13,000 rural postmasters, all of whom are under the jurisdiction of the Civil Service Commission and indubitably a part of the personnel of the Service. Thus a grand total of 54,619 is arrived at, and this may be accepted as the approximate strength of the Civil Service of Canada on April 1, 1918.

It should be borne in mind, however, that during April and May several hundred "Season" appointments are made which are not included in the above totals, so that through the summer and early fall the numerical strength of the Service is augmented to that extent.

DOC. PARLEMENTAIRE No 30

INTRODUCTION.

La présente édition de la liste du service civil est la première publiée par la Commission du service civil sous l'autorité de la loi du service civil de 1918. Quelques légers changements et additions ont été faits qui rendront la liste plus complète et plus utile. Les ministères ont été disposés par ordre alphabétique, la table des matières allongée et amplifiée, l'index revu avec soin et un sommaire disposé en tableau ajouté lequel montrera approximativement le nombre total d'employés au service au 1er avril 1918. On remarquera qu'en plus de 4,147 noms dans le service intérieur permanent et 18,593 dans le service extérieur permanent il y avait à cette date 6,324 employés à titre temporaire au service intérieur et 12,555 au service extérieur, un total de 41,619. A cela il faut encore ajouter environ 13,000 maîtres de poste ruraux, qui tous sont sous la juridiction de la Commission et font indubitablement partie du service. On arrive ainsi à un grand total de 54,619, et on peut considérer ce chiffre comme constituant approximativement la force numérique du service civil du Canada au 1er avril 1918.

On ne doit pas oublier, toutefois, qu'au cours des mois d'avril et de mai il se fait plusieurs centaines de nominations à des positions de saison qui n'apparaissent pas dans les totaux donnés ci-dessus, de sorte que durant l'été et le commencement de l'automne la force numérique du service est augmentée d'autant.

STATISTICAL SUMMARY OF PERSONNEL.

Showing approximately the numerical strength of the Inside and Outside Service, Permanent and Temporary on April 1, 1918.

NOTE.—The figures hereunder are only to be accepted as approximately correct. The dividing line between the Inside and Outside Service has always been more or less arbitrary, and the purpose or value of any such distinction so problematical that the classification now in course of preparation contemplates abolishing this feature altogether. So also as regards permanent and temporary employment. There are hundreds in the Public Service who have been regularly and uninterruptedly employed therein for a number of years who are still technically "temporary" employees. These conditions make it practically impossible in many cases to make other than an arbitrary classification, but the total in each department and the grand total of the whole Service may be accepted as substantially correct.

It should be further noted that during April and May hundreds of season appointments are made in the Departments of Agriculture, The Interior, Marine, Naval Service, Public Works, etc. Few of these employees are actually at work on April 1st, and are not included in this statement.

SOMMAIRE STATISTIQUE DU PERSONNEL.

Montrant approximativement le nombre d'employés à titre permanent et d'employés à titre temporaire au service intérieur et extérieur, au 1er avril 1918.

AVIS.—Les chiffres ci-dessous ne doivent être considérés qu'approximativement exacts. La ligne de démarcation entre le service intérieur et extérieur a toujours été plus ou moins arbitraire, et les fins ou l'utilité d'une telle distinction si problématiques que l'on se propose de faire disparaître tout à fait cette distinction dans la classification actuellement en cours de préparation. On peut aussi dire la même chose de l'emploi permanent et temporaire. Il y a des centaines de personnes au service public qui ont été employées régulièrement et sans interruption depuis des années et qui technicalement parlant sont encore des "employés à titre temporaire". Ces conditions font qu'il est pratiquement impossible dans bien des cas de faire plus qu'une classification arbitraire, mais le total dans chaque département et le grand total de tout le service peuvent être considérés comme substantiellement exacts.

Il faut aussi se rappeler qu'au cours des mois d'avril et mai des centaines de nominations à des positions de saison sont faites aux ministères de l'Agriculture, de l'Intérieur, de la Marine, du Service Naval, des Travaux publics, etc. Il n'y a qu'un nombre restreint de ces employés au travail au 1er avril et ils ne sont pas inclus dans ce sommaire.
